FOREWORD

The Constitution requires each house of the General Assembly to keep a Journal of its proceedings. The Journal is intended to assure a public account of legislative activity and constitutes the final official record of action by the General Assembly.

Under the provisions of Sections 6.161, 6.162 and 57.151 of the *Kentucky Revised Statutes,* the Legislative Research Commission is responsible for comparing, editing, correcting, and publishing the Journals as approved by each house of the General Assembly. This Journal represents the fulfillment of this obligation for the Regular Session of the House of Representatives of 1992.

The text of a bill is spread in full when it receives a first reading. The vote on passage of a bill is indicated upon its receipt of a third reading, or upon concurrence by the originating house in amendments by the second house. Simple and concurrent resolutions are printed on first reading when applicable or when adopted, and joint resolutions are treated as bills. A table of actions on bills and resolutions is appended. Roll calls on motions to pass legislation have been compiled in an Appendix.

Mrs. Jean Wallace and Mrs. Wilda Bond prepared House Journal for the Regular Session of 1992. The edited copy and index in this Journal reflect the cooperative efforts of the Commission's staff.

SB 177, AN ACT relating to disaster and emergency services.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 39 IS CREATED TO READ AS FOLLOWS:

(1) Except as provided in subsection (14) of this section, the division shall have the primary responsibility for the recovery of drowning victims from the waters of the Commonwealth, public and private, and for

the coordination of the efforts of all persons and agencies, public and private, engaged in the recovery of drowned persons.

(2) Except as provided in subsection (14) of this section, when a drowning occurs, and a recovery is not effected within thirty (30) minutes after the incident, the agency or organization to which the drowning was reported shall notify the disaster and emergency services director in the county in which the incident occurred and the Division of Disaster and Emergency Services.

(3) The local disaster and emergency services director shall notify the rescue squad, coroner, and other agencies which he feels might be of use in the search for, and the recovery of, the drowning victim.

(4) The search for and the recovery of the drowning victim shall be under the general control of the local disaster and emergency services director, or his designee. However, where more than one (1) agency or organization is involved in the incident, a joint command and incident management structure shall be utilized.

(5) If the local disaster and emergency services director or his designee feels that assistance is needed from state agencies or from resources outside of the county he shall request them through the division. Subject to budgetary constraints and operational demands for other services within their agencies, any state agency shall assist the division with drowning search and recovery operations and shall, on scene, cooperate with and operate under the direction of the local disaster and emergency services director, or his designee.

(6) If the local disaster and emergency services director or his designee feels that additional management or technical support is required to safely and efficiently accomplish the mission, he may request the division to assign an area coordinator for disaster and emergency services, or other state or local personnel, or volunteers, to assist him in the management and operation of the search and recovery effort. The local disaster and emergency services director may relinquish his general control of the incident to the person or person provided by the state Division of Disaster and Emergency Services.

(7) Once a request is made from a local disaster and emergency services director to the division, the director or his designee shall assess the situation and assign the resources which he deems necessary. If it appears that the local director is in need of assistance, even if it is not requested, the executive director, or his designee, may send state assistance and may assert control over the search and recovery effort.

(8) Any person or organization, public or private, who is called to the scene or responds to the scene of a drowning search and recovery operation who does not submit himself or his organization to the overall command structure provided by this section or who does not follow through to the best of his ability, the decisions and assignments arrived at by the command structure at the incident shall, forthwith, be removed from the operation and directed to leave the scene and not return unless called. The noncooperation or lack of cooperation shall be noted in the incident report filed with the division.

(9) The decision to terminate the search and recovery operation, if the operation has not been successful, shall, where possible, be made as a joint decision between the incident commander and the primary public and private agency's liaisons with him. Decisions to scale back, rather than terminate, a search and recovery operation shall be made in the same manner. The decision to terminate the operation, scale back the operation, or continue the operation is subject to review and reversal by the executive director of the division.

(10) When a drowning occurs in waters bordering more than one county, then the local disaster and emergency services directors shall mount a joint search and recovery operation. Any local directors involved therein may request assistance from the division.

(11) When a drowning occurs in waters which are owned or controlled by the federal government or a federal agency, and the federal agency owning or controlling the waters wishes to assert control over the operation, it may do so. Local and state disaster and emergency services officials shall cooperate with the federal search and recovery effort in so far as possible; however, the local and state disaster and emergency services personnel and organizations may withdraw from the search and recovery effort at any time which the local disaster and emergency services director determines that it is necessary to do so, or the executive director, or his designee determines that it is necessary to do so.

(12) Each county, city, or joint local disaster and emergency services organization shall develop, and update annually, a standard operating procedure for search and recovery of drowning victims within its jurisdiction which shall become an annex to its emergency operations plan. The standard operating procedure shall contain provisions for the handling of the remains of any deceased person found during the search and recovery operation. This plan shall be reviewed and approved by the county coroner in each county the organization is funded by.

(13) When the drowning search and recovery operation locates the remains of any deceased person, the incident commander shall make the reports required and take the steps required by KRS Chapter 72 with regard to the handling of the remains of deceased persons and any articles of property found incident thereto.

(14) When a county, urban county, charter county, or city maintains a full-time law enforcement, fire, rescue, emergency medical services, or similar unit and a written mission of that unit includes water rescue and the recovery of drowning victims, all notifications of drownings shall be made to that unit, and the command structure of that unit shall be in charge of the search for and the recovery of the drowning victim. The command structure of the unit shall assume the role of the local disaster and emergency services director in these cases. The local disaster and emergency services director and the division shall cooperate with the local full-time unit to provide the services required in this section.

SB 339, AN ACT relating to water district commissioners.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 74.020 is amended to read as follows:

(1) A water district shall be administered by a board of commissioners which shall control and manage the affairs of the district. The term of each commissioner is four (4) years, except as provided in this section:

(a) If a district lies wholly within a single county, or operates as a single-county district, as provided in paragraph (c) of this subsection, the board of commissioners shall be composed of either three (3) or five (5) members as the county judge/executive shall determine. Members of the board shall be residents of the district, or of any incorporated or unincorporated area served by the district in the county in which the district was originally established, who shall be appointed by the county judge/executive with the approval of the fiscal court. ***If*** [~~In the event of~~] a merger of water districts as described in KRS 74.361 ***occurs***, the county judge/executive may appoint up to two (2) additional commissioners with the approval of the fiscal court. Initial appointments shall be for terms of two (2), three (3) and four (4) years, as designated by the court.

(b) Except as provided in paragraph (c) of this subsection, if a district formed in a single county extends its area to include territory in an adjacent county, as provided by KRS 74.115, the board of commissioners shall be appointed by the county judges/executive with the approval of the fiscal courts of the concerned counties as follows: in two (2) county districts, three (3) members from the original district and two (2) members from the extended portion of the district; for extensions into three (3) or more counties, the respective county judges/executive, with the approval of the fiscal courts, shall appoint, in addition to the existing membership of the commission, two (2) members from the original one-county district and two (2) members from the newly extended portion of the district. Orders establishing the extension shall provide for the staggering of initial terms in an equitable manner.

(c) If a single-county district administered as provided in paragraph (a) hereof shall acquire an existing water or gas distribution system serving an area which extends beyond the boundaries of the district into another county, or if a district formed in a single county extends its area to include territory in an adjacent county as provided by KRS 74.115, it may operate the distribution system so acquired, or extended, ***if*** [~~provided~~] the area served outside the county shall be deemed to be a minor portion of the total area served by the district, and ***if*** [~~provided~~] the fiscal court of the county containing ***the*** [~~such~~] minor portion of the total area shall have agreed to the acquisition or to the extension of the distribution system. If less than twenty-five percent (25%) of the total assets of the distribution system are located within the county outside of the boundaries of the district, it ***shall*** [~~will~~] be conclusively presumed that ***the*** [~~said~~] district comes within the terms of this subsection.

(2) A commissioner may be removed from office as provided by KRS 65.007.

(3) ***A commissioner who participates in any official action by the water district board of commissioners which results in a direct financial benefit to him may be removed from office as provided by KRS 65.007.***

(4) Vacancies shall be filled by the same appointing authority which is empowered to make the original appointment. Vacancies resulting from cause other than expiration of the term shall be filled for the unexpired term only.

(5)[~~(4)~~] The commission shall elect a chairman, secretary and treasurer. Each commissioner shall execute a bond, approved by the county judge/executive, conditioned on the faithful performance of the duties of his position.

(6)[~~(5)~~] Each commissioner shall receive an annual salary of not more than thirty-six hundred dollars ($3600), which shall be paid out of the water district fund. In the case of single-county districts, which shall be deemed to include districts described in paragraph (c) of subsection (1) of this section, the salary shall be fixed by the county judges/executive with the approval of the fiscal court; in multi-county districts it shall be fixed by the agreement between the county judges/executive with the approval of their fiscal courts. In fixing and approving the salary of the commissioners, the county judge/executive and the fiscal court shall take into consideration the financial condition of the district, and its ability to meet its obligations as they mature.

(1) An active contributing member of the Teachers' Retirement System may receive credit for active service rendered in the armed forces of the United States, subject to regulations ***promulgated*** [~~established~~] by the board of trustees. Military service may be credited only if discharge was other than dishonorable. Service shall be considered as Kentucky teaching service, except that it may not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1). A maximum of six (6) years of military service may be credited, but in no case a greater number of years than the actual years of contributing service in Kentucky.

(2) No credit shall be granted for military service which has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.

This subsection shall apply to service presented for credit on July 1, 1975, and after this date.

(4) A member receiving retirement credit for active duty in the armed services of the United States shall contribute to the retirement system an amount equal to thirty-five percent (35%) of the actuarial cost for each year of service so credited. Two percent (2%) of the thirty-five percent (35%) required payment shall be allocated to the survivor, death, and medical insurance fund. These contributions shall not be picked up, as described in KRS 161.540(2). In purchasing retirement credit for active duty in the armed services, the latest years of service shall be considered first in allowing credit toward retirement. The board of trustees shall adopt a table of actuarial factors to be used in calculating the amount of contribution required for crediting this service.

(5) If an active contributing member is called to active duty in the armed forces of the United States, on or after August 2, 1990, as a result of being a member of the national guard or military reserve, the retirement system shall credit the member with service credit during the approved leave of absence without a contribution on the part of the member. The actuarial cost of the service awarded under this subsection shall be paid by the member's employer. The member who is credited with service for a period of active military duty under this subsection shall not be eligible to purchase credit under subsection (4) of this section for the same period of service. Active duty requested by the member shall not be considered for service credit without a contribution on the member's part as provided by this section.

SB 398, AN ACT relating to higher education.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 164.020 is amended to read as follows:

The Council on Higher Education in Kentucky shall:

(1) Engage in analyses and research to determine the overall needs of higher education in the Commonwealth.

(2) Develop and transmit to the Governor comprehensive plans for public higher education which meet the needs of the Commonwealth. The plans so developed shall conform to the respective functions and duties of the state universities, the community colleges, and the University of Kentucky, as provided by statute. The council shall for all purposes of federal legislation relating to planning be considered the "single state agency" as that term may be used in federal legislation. When federal legislation requires additional representation on any "single state agency," the Council on Higher Education shall establish such advisory groups as may be necessary to satisfy federal legislative or regulatory guidelines.

(3) Determine tuition and approve the minimum qualifications for admission to the public institutions of higher education. In determining the tuition for non-Kentucky residents, the council shall consider the fees required of Kentucky students by institutions in adjoining states, the resident fees charged by other states, the total actual per student cost of training in the institutions for which the fees are being determined, and the ratios of Kentucky students to non-Kentucky students comprising the enrollments of the respective institutions, and such other factors as the council may in its sole discretion deem pertinent.

(4) Consider the requirements and review the budget requests, which shall be prepared in the manner and submitted by the institutions to the council by dates prescribed by the council, of the institutions of public higher education as to their appropriate level of support considering the functions of the institutions and their respective needs. The council, in cooperation with the university presidents, shall devise, establish, and periodically review and revise formulas for use in making recommendations to provide to the Governor and the legislature for use in making appropriations for the institutions of higher learning. The formulas shall provide for adequate and equitable allocation of funds among the several universities considering their respective needs and statutory, institutional, and geographic missions. In the development, revision, and refinement of such formulas, committees composed of members of the council staff and a representative of each of the state universities shall conduct hearings on each campus in a manner to give all principal segments of each institution the opportunity to participate in the development of the formulas. The studies shall include, but not be limited to:

(a) A review of formulas used by other states to calculate needs and appropriate funds for institutions of higher education;

(b) A complete review of selected comparable institutions with reference to both the state appropriations and tuition charges, and

(c) A review of institutional activities and programs that can be calculated for use in the development of the formulas.

There shall be included in the final report the institutional responses to the studies and their recommendations and the recommendations of the advisory conference of presidents. Nothing in this chapter shall prevent or prohibit the Governor, the Legislature, the Council on Higher Education, or the governing board of any institution of higher education from requesting or recommending deviations from any applicable formula or formulas prescribed by the Council on Higher Education and advancing reasons and arguments in support of them. The individual institutions' budget requests, including tuition and registration fee schedules for all categories of students, along with council recommendations shall be submitted to the Governor through the Finance and Administration Cabinet not later than November 15 of each odd-numbered year..The council shall submit a separate budgetary recommendation for the University of Kentucky community college system.

(5) Review and approve all capital construction projects the cost of which exceeds two hundred thousand dollars ($200,000) approved by the governing boards of the state-supported institutions of higher education prior to the institutions' submission of such projects to the Finance and Administration Cabinet and/or State Property and Buildings Commission.

(6) Require reports from the executive officer of each institution it deems necessary for the effectual performance of its duties.

(7) Publish annually a report of the educational and financial affairs of the institutions and disseminate other information relating to higher education.

(8) Define and approve the offering of all higher education associate, baccalaureate, graduate, and professional degree or certificate programs in the state-supported higher education institutions; review proposals and make recommendations to the Governor regarding the establishment of new state-supported community colleges and new four-year colleges. ***The Council on Higher Education shall postpone the approval of any new program at a state institution of higher learning, unless the institution has met its equal educational opportunity goals, as established by the council. In accordance with administrative regulations promulgated by the council, those institutions not meeting the goals shall be able to obtain a temporary waiver, if the institution has made substantial progress toward meeting its equal educational opportunity goals.*** Provided, nothing in this section, KRS 164.010, 164.125, and 164.290 to 164.295 shall be construed to grant the Council on Higher Education authority to disestablish or eliminate any college of law which became a part of the state system of higher education through merger with a state college.

(9) Approve the teacher education programs in the public institutions.

(10) Elect a chairman annually from the voting membership and appoint an executive director and such staff as may be needed and fix their compensation without limitation of the provisions of KRS Chapter 18A and KRS 64.640, subject to the approval of the commissioner of personnel and the secretary of the Finance and Administration Cabinet.

(11) Constitute the representative agency of the Commonwealth in all matters of higher education of a general and statewide nature which are not otherwise delegated to one (1) or more institutions of higher learning. Such responsibility may be exercised through appropriate contractual relationships with individuals or agencies located within or without the Commonwealth. The authority includes but is not limited to contractual arrangements for programs of research, specialized training, and cultural enrichment.

(12) Develop procedures for the approval of a designated receiver to provide for the maintenance of student records of the public institutions of higher education and the colleges as defined in KRS 164.945, and institutions operating pursuant to KRS 165A.310 which offer collegiate level courses for academic credit, which cease to operate after July 15, 1980. Procedures shall include assurances that, upon proper request, subject to federal and state laws and regulations, copies of student records shall be made available within a reasonable length of time for a minimum fee.

(13) Monitor and report on compliance with KRS 164.351. The report shall be transmitted to the director of the Legislative Research Commission for distribution to the Health and Welfare Committee.

Section 3. The work of the task force shall be coordinated by the Council on Higher Education and the council shall provide administrative and staff services for the task force.

(e) The court shall hold a hearing on the merits of the petition before reaching a decision. The court shall hear evidence at the hearing relating to the emotional development, maturity, intellect and understanding of the minor; the nature, possible consequences and alternatives to the abortion; and any other evidence that the court may find useful in determining whether the minor should be granted majority rights for the purpose of consenting to the abortion or whether the abortion is in the best interest of the minor.

The law of this state shall not be construed to preclude the award of exemplary damages in any appropriate civil action relevant to violations of this section. Nothing in this section shall be construed to limit the common law rights of parents.

The board shall notify the deputy promptly and in writing of any charges brought against him by the board or by a citizen. On the day that the Attorney General renders his decision, he shall mail a copy to the agency and a copy to the person who filed the complaint.

(b) If an appeal is not filed within the thirty (30) day time limit, the Attorney General's decision, as to whether the agency violated the provisions of KRS 61.805 to 61.850, shall have the force and effect of law and shall be enforceable in the Circuit Court of the county where the public agency has its principal place of business or where the alleged violation occurred.

(5) A public agency shall notify the Attorney General of any actions filed against that agency in Circuit Court regarding enforcement of KRS 61.805 to 61.850.

(2) A person alleging a violation of the provisions of KRS 61.805 to 61.850 shall not have to exhaust his remedies under Section 7 of this Act before filing suit in a Circuit Court. However, he shall file suit within sixty (60) days from his receipt of the written denial referred to in subsections (1) and (2) of Section 7 of this Act or, if the public agency refuses to provide a written denial, within sixty (60) days from the date the written complaint was submitted to the presiding officer of the public agency.

(3) In an appeal of an Attorney General's decision, where the appeal is properly filed pursuant to subsection (4)(a) of Section 7 of this Act, the court shall determine the matter de novo.

(4). Except as otherwise provided by law or rule of court, proceedings arising under this section take precedence on the docket over all other causes and shall be assigned for hearing and trial at the earliest practicable date.

(5) Any rule, resolution, regulation, ordinance, or other formal action of a public agency without substantial compliance with the requirements of KRS 61.810, 61.815, 61.820, and Section 6 of this Act shall be voidable by a court of competent jurisdiction.

In addition, it shall be within the discretion of the court to award the person an amount not to exceed one hundred dollars ($100.00) for each instance in which the court finds a violation. Attorneys' fees, costs, and awards under this subsection shall be paid by the agency responsible for the violation.

Floor Amendments (Continued)

Floor Amendment No. 4 to **SB 60**, by Representative Cyrus:

Amend printed copy of **SB 60/GA** on page 2, line 16, by adding thereafter the following:

"Section 2. KRS 6.515 is amended to read as follows:

(1) Service credit in the Legislators' Retirement Plan shall be acquired only by service as a legislator after July 1, 1980, while a member of the plan, by transfer of credit as provided in KRS 6.505, or by purchase of military service credit pursuant to subsection (2) of this section, or by transfer of credit as provided in subsection (6) of this section.

(2) (a) Any active member of the Legislators' Retirement Plan who has at least five (5) years of service credit in the legislators' retirement plan, or his beneficiary acting in his place if the member dies prior to retirement, shall receive service credit for a maximum of four (4) years for his period of service in the armed forces of the United States, if his discharge therefrom is honorable and he has not been credited with the service by any other retirement system administered by the Commonwealth of Kentucky, by paying the retirement system fifty percent (50%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. ***The member may also receive one (1) month of service credit for each six (6) months of service in the National Guard or the military reserves of the United States by paying the retirement system fifty percent (50%) of the actuarial cost. The member shall not purchase more than four (4) years of service credit for service in the National Guard or the military reserves, or by combining active duty service and service in the National Guard or military reserves.*** The service credit shall be awarded and the cost shall be determined in conformity with the rate which applies to the legislator in question pursuant to KRS 6.520. Service credit awarded pursuant to this subsection shall be equivalent, for all purposes of the legislators' retirement plan, to other service credit earned in the plan.

(b) The beneficiary may purchase military service credit only at one (1) time by lump-sum payment for the amount of service he wishes to purchase, and the payment shall be made within thirty (30) days of the death of the active member. The member may purchase all of his military service credit at one (1) time, or in increments of no less than one (1) year, unless there is a fraction remaining after all full years have been paid for. Payment of the total or the increment may be made by lump-sum or by monthly installments through payroll deduction. If the member chooses to pay by installment, the cost of the service credit shall be computed in the same manner as for a lump-sum payment, which shall be the principal. Interest, at the annual actuarial rate in effect at the time each payment is made, shall be added to each monthly payment at the rate of one-twelfth (1/12) of the annual interest rate applied to the declining principal amount. Installment purchases shall be for no less than twelve (12) nor more than sixty (60) months. If the member leaves office before completing his installment payments, he may satisfy his contract by a lump-sum payment of the remaining principal amount, but no further installment payments shall be accepted thereafter. In this case, the member shall be credited with the military service credit for which he has paid, in years or months but no fraction less than a full month, and any payment remaining after credit for full months has been awarded shall be returned to the member.

(c) The payments made under this section shall be considered accumulated contributions of the member and shall not be picked-up by the employer pursuant to KRS 6.505(2).

(d) No veteran shall be eligible to purchase military service credit under this section if he is receiving a military pension or is eligible for a military pension in the future, unless the military pension is for service primarily on inactive duty in a reserve component of the armed forces, or is a disability pension which does not exceed five hundred dollars ($500) monthly.

(3) If spouses both serve in the General Assembly, but not simultaneously, they may combine their service credit in the Legislators' Retirement Plan for all purposes of that plan into a single account, and may jointly designate to whom the service retirement allowance shall be paid. The designation shall not be changed once it is made. Assuming equal service credit, the benefits paid, pursuant to this section, to a legislator and his or her spouse who also served as a legislator shall not exceed the benefits that the same legislator and his or her spouse would receive if the spouse had not served as a legislator.

(4) In the event of divorce, rights to benefits shall be considered marital property subject to the provisions of KRS 403.190.

(5) A former legislator whose spouse currently serves in the General Assembly and who received a refund of contributions pursuant to KRS 21.460 may repurchase service credit which he or she previously had by repaying the amount refunded with interest at six percent (6%) per annum, and the service credit shall become part of the single account authorized by subsection (2) of this section.

(6) A member who has qualified for benefits pursuant to KRS 6.525(1) may, until July 1, 1991, transfer to the legislators' retirement plan up to ten (10) years of service credit which he has earned in the County Employees' Retirement System. If the member elects to transfer his County Employees' Retirement System service credit, that system shall transfer to the legislators' retirement fund an amount equal to the employee's and employer's contributions attributable to that credit, together with interest on the contributions from the date made to date of transfer at the actuarially assumed interest rate of the County Employees' Retirement System in effect at the time the contributions were made, compounded annually at that same interest rate. The member shall be entitled to the transferred service credit, at the rate at which he qualifies pursuant to KRS 6.520, when he pays the total difference between the amount of the funds transferred by the County Employees' Retirement System and the cost of the credit to the Legislators' Retirement Plan, as determined by the actuary for the Legislators' Retirement Plan."

Floor Amendment No. 2 to **SB 172**, by Representative Ward:

Amend printed copy of **SB 172/GA** on page 5, after line 8, by adding the following:

(2) For each judicial district, the president of the local bar association within the county or judicial district, and agencies providing legal services to indigent clients in civil matters within the district, shall designate a nonprofit agency, or local bar association, to develop, operate, and administer programs for the provision of legal services to indigent clients involved in civil matters within the district. The agency, or local bar association, may serve more than one (1) county. Any designated agency to receive funds pursuant to this section shall be incorporated under the law of the Commonwealth, by an organization within the meaning of Section 501(c)(3) of the Internal Revenue Code. Any designated agency, or local bar association, shall ensure that all persons providing legal services to agency clients do so without any fee to the client.

(3) The Administrative Office of the Courts, as directed by the Chief Justice of the Kentucky Supreme Court, shall distribute monthly, the fees collected pursuant to this section according to a pro rata allocation formula that distributes funds to each agency according to the number of residents in the judicial districts or counties served whose incomes do not exceed the official United States federal poverty guidelines. Any attorney providing pro bono services through the designated agency shall, upon request, receive reimbursement from the agency exclusively for out-of-pocket expenses incident thereto, including, transcription costs, photocopy costs, long distance phone expenses, expert witnesses, and other similar direct out-of-pocket expenses.

(4) At the close of the state fiscal year, all unused or uncommitted funds received by a designated agency shall be returned by the designated agency to the restricted fund revolving account, to be redistributed in the following calendar quarter to operating designated agencies in accordance with guidelines established by the Administrative Office of the Courts.

Section 3. The fees generated by Section 2 of this Act are hereby appropriated for the purposes provided for in that section."

Floor Amendment No. 2 to **SB 103**, by Representative Johnson:

Amend printed copy of **SB 103/GA** on page 8, below line 5, to insert the following:

SECTION 6. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) No person shall knowingly perform an abortion upon a pregnant woman under the age of eighteen (18) years unless:

(a) The attending physician has secured the informed written consent of the minor and one parent or guardian; or

(b) The minor is emancipated and the attending physician has received the informed written consent of the minor; or

(c) The minor has been granted the right to self-consent to the abortion by court order pursuant to subsection (2) of this section, and the attending physician has received the informed written consent of the minor; or

(d) The minor has been granted consent to the abortion by court order, and the court has given its informed written consent in accordance with subsection (2) of this section, and the minor is having the abortion willingly, in compliance with subsection (3) of this section.

(2) The right of a minor to self-consent to an abortion under paragraph (c) of subsection (1) of this section or court consent under paragraph (d) of subsection (1) of this section may be granted by a court pursuant to the following procedures:

(a) The minor or next friend shall make an application to the juvenile court which shall assist the minor or next friend in preparing the petition and notices required pursuant to this section. The minor or the next friend of the minor shall thereafter file a petition setting forth the initials of the minor; the age of the minor; the names and addresses of each parent, guardian, or, if the minor's parents are deceased and no guardian

has been appointed, any other person standing in loco parentis of the minor; that the minor has been fully informed of the risks and consequences of the abortion; that the minor is of sound mind and has sufficient intellectual capacity to consent to the abortion; that, if the court does not grant the minor majority rights for the purpose of consent to the abortion, the court should find that the abortion is in the best interest of the minor and give judicial consent to the abortion; that the court should appoint a guardian ad litem of the child; and if the minor does not have private counsel, that the court should appoint counsel. The petition shall be signed by the minor or the next friend;

(b) A hearing on the merits of the petition, to be held on the record, shall be held as soon as possible within five (5) days of the filing of the petition. If any party is unable to afford counsel, the court shall appoint counsel at least twenty-four (24) hours before the time of the hearing. At the hearing, the court shall hear evidence relating to the emotional development, maturity, intellect, and understanding of the minor; the nature, possible consequences, and alternatives to the abortion; and any other evidence that the court may find useful in determining whether the minor should be granted majority rights for the purpose of consenting to the abortion or whether the abortion is in the best interests of the minor;

(c) In the decree, the court shall for good cause:

1. Grant the petition for majority rights for the purpose of consenting to the abortion; or

2. Find the abortion to be in the best interests of the minor and give judicial consent to the abortion, setting forth the grounds for so finding; or

3. Deny the petition, setting forth the grounds on which the petition is denied;

(d) If the petition is allowed, the informed consent of the minor, pursuant to a court grant of majority rights, or the judicial consent, shall bar an action by the parents or guardian of the minor on the grounds of battery of the minor by those performing the abortion. The immunity granted shall only extend to the performance of the abortion in accordance herewith and any necessary accompanying services which are performed in a competent manner. The costs of the action shall be borne by the parties; and

(e) An appeal from an order issued under the provisions of this section may be taken to the court of appeals of this state by the minor or by a parent or guardian of the minor. The notice of intent to appeal shall be given within twenty-four (24) hours from the date of issuance of the order. The record on appeal shall be completed and the appeal shall be perfected within five (5) days from the filing of notice to appeal. Because time may be of the essence regarding the performance of the abortion, the Supreme Court of this Commonwealth shall, by court rule, provide for expedited appellate review of cases appealed under this section.

(3) If a minor desires an abortion, then she shall be orally informed of and, if possible, sign the written consent required by Section 2 of this Act in the same manner as an adult person. No abortion shall be performed on any minor against her will, except that an abortion may be performed against the will of a minor pursuant to a court order described in paragraph (d) of subsection (1) of this section that the abortion is necessary to preserve the life of the minor.

SECTION 7. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) No physician shall perform an abortion unless, prior to such abortion, the physician certifies in writing that the woman gave her informed consent, freely and without coercion, after the attending physician had informed her of the information contained in subsection (2) of this section and shall further certify in writing the pregnant woman's age, based upon proof of age offered by her.

(2) In order to insure that the consent for an abortion is truly informed consent, no abortion shall be performed or induced upon a pregnant woman unless she has signed a consent form that shall be supplied by the state Department for Services, acknowledging that she has been informed by the attending physician of the following facts:

(a) That according to the best medical judgment of her attending physician whether she is or is not pregnant;

(b) The particular risks associated with the abortion technique to be used;

(c) Alternatives to abortion shall be given by the attending physician.

(3) The physician may inform the women of any other material facts or opinions, or provide any explanation of the above information which, in the exercise of his best medical judgment, is reasonably necessary to allow the woman to give her informed consent to the proposed abortion, with full knowledge of its nature and consequences.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 342.0011 is amended to read as follows:

As used in this chapter, unless the context otherwise requires:

(1) "Injury" means any work-related harmful change in the human organism, arising out of and in the course of employment, including damage to or loss of a prosthetic appliance, but does not include any communicable disease unless the risk of contracting such disease is increased by the nature of the employment. "Injury" when used generally, unless the context indicates otherwise, shall include an occupational disease.

(2) "Occupational disease" means a disease arising out of and in the course of the employment.

(3) An occupational disease as defined in this section shall be deemed to arise out of the employment if there is apparent to the rational mind, upon consideration of all the circumstances, a causal connection between the conditions under which the work is performed and the occupational disease, and which can be seen to have followed as a natural incident to the work as a result of the exposure occasioned by the nature of the employment and which can be fairly traced to the employment as the proximate cause. The occupational disease shall be incidental to the character of the business and not independent of the relationship of employer and employee. An occupational disease need not have been foreseen or expected but, after its contraction, it must appear to be related to a risk connected with the employment and to have flowed from that source as a rational consequence.

(4) "Injurious exposure" as used in KRS 342.316 shall mean that exposure to occupational hazard which would, independently of any other cause whatsoever, produce or cause the disease for which claim is made.

(5) "Death" means death resulting from an injury or occupational disease.

(6) "Carrier" means any insurer, or legal representative thereof, authorized to insure the liability of employers under this chapter and includes a self-insurer***, and any person or company performing safety and claims administration for a self-insurer***.

(7) "Self-insurer" is an employer who has been authorized under the provisions of this chapter to carry his own liability on his employees covered by this chapter.

(8) "Department" means the Department of Workers' Claims in the Labor Cabinet.

(9) "Commissioner" means the commissioner of the Department of Workers' Claims [~~under the direction and supervision of the Workers' Compensation Board~~].

(10) "Board" means the Workers' Compensation Board.

(11) "Disability" means a decrease of wage earning capacity due to injury or loss of ability to compete to obtain the kind of work the employee is customarily able to do, in the area where he lives, taking into consideration his age, occupation, education, effect upon employee's general health of continuing in the kind of work he is customarily able to do, and impairment or disfigurement.

(12) "Income benefits" means payments made under the provisions of this chapter to the disabled worker or his dependents in case of death, excluding medical and related benefits.

(13) "Medical and related benefits" means payments made for medical, hospital, burial and other services as provided in this chapter, other than income benefits.

(14) "Compensation" means all payments made under the provisions of this chapter representing the sum of income benefits and medical and related benefits.

(15) "Medical services" means medical, surgical, dental, hospital, nursing, and medical rehabilitation services,[~~;~~] medicines,[~~;~~] and fittings for artificial or prosthetic devices.

(16) "Person" means any individual, partnership, firm, association, trust, joint venture, corporation, or legal representative thereof.

(17) "Wages" means, in addition to money payments for services rendered, the reasonable value of board, rent, housing, lodging, fuel or similar advantages received from the employer, and gratuities received in the course of employment from others than the employer as evidenced by the employee's federal and state tax returns.

(18) "Agriculture" means the operation of farm premises, including the planting, cultivation, producing, growing, harvesting and preparation for market of agricultural or horticultural commodities thereon; the raising of livestock for food products and for racing purposes, and poultry thereon, and any work performed as an incident to or in conjunction with ***the*** [~~such~~] farm operations. It shall not include the commercial processing, packing, drying, storing, or canning of such commodities for market, or making cheese or butter or other dairy products for market.

(19) "Beneficiary" means any person who is entitled to income benefits or medical and related benefits under this chapter.

(20) "United States" when used in a geographic sense, means the several states, the District of Columbia, the Commonwealth of Puerto Rico, the Canal Zone, and the territories of the United States.

(21) "Alien" means a person who is not a citizen, a national or a resident of the United States or Canada. Any person not a citizen or national of the United States who relinquishes or is about to relinquish his residence in the United States shall be regarded as an alien.

(22) "Insurance carrier" means every insurance carrier or insurance company authorized to do business in the Commonwealth writing workers' compensation insurance coverage and includes every group of self-insurers operating under the provisions of this chapter.

(23) (a) "Severance or processing of coal" means all activities performed in the Commonwealth at underground, auger and surface mining sites, all activities performed at tipple or processing plants that clean, break, size or treat coal and all activities performed at coal loading facilities for trucks, railroads and barges. Severance or processing of coal shall not include acts performed by a final consumer if ***the*** [~~such~~] acts are performed at the site of final consumption.

(b) "Engaged in severance or processing of coal" shall include all individuals, partnerships, corporations, joint ventures, associations or any other business entity in the Commonwealth which has employees on its payroll who perform any of the acts stated in paragraph (a) of this subsection, regardless of whether ***the*** [~~such~~] acts are performed as owner of the coal or on a contract or fee basis for the actual owner of the coal. A business entity engaged in the severance or processing of coal, including but not limited to administrative or selling functions, shall be considered wholly engaged in the severence or processing of coal for the purpose of this chapter. Provided however, a business entity which is engaged in a separate business activity not related to coal, for which a separate premium charge is not made, shall be deemed to be engaged in the severance or processing of coal only to the extent that the number of employees engaged in the severance or processing of coal bears to the total number of employees. Any employee who is involved in the business of severing or processing of coal and business activities not related to coal shall be prorated based on the time involved in severance or processing of coal bears to his total time.

(24) "Premium" for every group of self-insurers means any and all assessments levied on its members by ***the*** [~~such~~] group or contributed to it by the members thereof.

(25) "Premium" for each employer carrying his own risk pursuant to KRS 342.340(1) shall be the projected value of the employer's workers' compensation claims for the next calendar year as calculated by the Workers' Compensation Board using generally accepted actuarial methods as follows:

(a) The base period shall be the earliest three (3) calendar years of the five (5) calendar years immediately preceding the calendar year for which the calculation is made. The board shall identify each claim of the employer which has an injury date or date of last injurious exposure to the cause of an occupational disease during each one (1) of the three (3) calendar years to be used as the base, and shall assign a value to each [~~such~~] claim. The value shall be the total of the indemnity benefits paid to date and projected to be paid, adjusted to current benefit levels, plus the medical benefits paid to date and projected to be paid for the life of the claim plus the cost of medical and vocational rehabilitation paid to date and projected to be paid. Adjustment to current benefit levels shall be done by multiplying the weekly indemnity benefit for each claim by the number obtained by dividing the statewide average weekly wage which will be in effect for the year for which the premium is being calculated by the statewide average weekly wage in effect during the year in which the injury or date of the last exposure occurred. The total value of ***the*** [~~such~~] claims using the adjusted weekly benefit shall then be calculated by the board. Values for claims in which awards have been made or settlements reached because of findings of permanent partial or permanent total disability shall be calculated using the mortality and interest discount assumptions used in the latest available statistical plan of the advisory rating organization defined in subtitle 13 of KRS Chapter 304. The sum of all calculated values shall be computed for all claims in the base period.

(b) The board shall obtain the annual payroll for each of the three (3) years in the base period for each employer carrying his own risk from board records and from the records of the Division of Unemployment Insurance. The board shall multiply each of the three (3) years of payroll by the number obtained by dividing the statewide average weekly wage which will be in effect for the year in which the premium is being calculated by the statewide average weekly wage in effect in each of the years of the base period.

(c) The board shall divide the total of the adjusted claim values for the three (3) year base period by the total adjusted payroll for the same three (3) year period. The value so calculated shall be multiplied by 1.12 and shall then be multiplied by the employer's most recent annualized payroll, calculated using board records and Division of Unemployment Insurance data which shall be made available for this purpose on a quarterly basis as reported, to obtain the premium for the next calendar year for assessment purposes under KRS 342.122.

(d) For November 1, 1987 through December 31, 1988, premium for each employer carrying his own risk shall be an amount calculated by the board pursuant to the provisions contained in this subsection and ***the*** [~~such~~] premium shall be provided to each employer carrying his own risk and to the funding commission on or before January 1, 1988. Thereafter, the calculations set forth in this subsection shall be performed annually, at the time each employer applies or renews his application for certification to carry his own risk for the next twelve-month period and submits payroll and other data in support of the application. The employer and the funding commission shall be notified at the time of the certification or recertification of the premium calculated by the board which shall form the employer's basis for assessments pursuant to KRS 342.122 for the calendar year beginning on January 1 following the date of certification or recertification.

(e) If an employer having fewer than five (5) years of doing business in this state applies to carry his own risk and is so certified, his premium for the purposes of KRS 342.122 shall be based on ***the*** [~~such~~] lesser number of years of experience as may be available including the two (2) most recent years if necessary to create a three (3) year base period. If the employer has less than two (2) years of operation in this state available for the premium calculation, then his premium shall be the greater of the value obtained by the calculation called for in this subsection or the amount of security required by the board pursuant to KRS 342.340(1).

(f) If an employer is certified to carry his own risk after having previously insured ***the*** [~~such~~] risk, his premium shall be calculated using values obtained from claims incurred while insured for as many of the years of the base period as may be necessary to create a full three (3) year base. After the employer is certified to carry his own risk and has paid all amounts due for assessments upon premiums paid while insured he shall be assessed only upon the premium calculated under this subsection.

(g) "Premium" for each employer defined in KRS 342.630(2) shall be calculated as set forth in this subsection, except that the value for each such employer's claims shall be the total of the indemnity benefits paid by the employer, adjusted to current benefit levels, plus the medical benefits paid.

(26) "SIC code" as used in this chapter means the standard industrial classification code contained in the latest edition of the Standard Industrial Classification Manual published by the Federal Office of Management and Budget.

(27) "Investment interest" means any pecuniary or beneficial interest in a provider of medical services or treatment under this chapter, other than a provider in which that pecuniary or investment is obtained on terms equally available to the public through trading on a registered national securities exchange, such as the New York Stock Exchange or the American Stock Exchange, or on the National Association of Securities Dealers Automated Quotation System.

Section 2. KRS 342.012 is amended to read as follows:

(1) For the purposes of this chapter, an owner or owners of a business, including qualified partners of a partnership owning a business, whether or not employing any other person to perform a service for hire, shall be included within the meaning of the term employee if ***the*** [~~such~~] owner, owners, or qualified partners elect to come under the provisions of this chapter and provide the insurance required thereunder. Nothing in this section shall be construed to limit the responsibilities of ***the*** [~~such~~] owners or partners to provide coverage for their employees and nonqualified partners, if any, required under this chapter.

(2) When an owner, owners, or qualified partners have elected to be included as employees, ***this inclusion*** [~~such~~] shall be accomplished by the issuance of an appropriate endorsement to a workers' compensation insurance policy.

(3) For the purpose of this section, "qualified partner" means a partner who has entered into a meaningful partnership agreement which shows on its face that the partner will substantially participate in the profit or loss of the business engaged in by the partnership and that the partner has made some contribution to the partnership which entitles him to participate in the profits of the business as well as to participate in the decision-making process of the partnership.

(4) For the purposes of this section, "nonqualified partner" means a person who has entered into a partnership agreement which shows on its face that this person will receive regular payments in exchange for work for the business engaged in by the partnership; that the person will not participate in the decision-making of the partnership and will not participate in the profits and losses of the business engaged in by the partnership.

(5) Every partnership filing a partnership agreement [~~for the purpose of exemption~~] pursuant to the provisions of KRS 342.340[~~,~~] shall[~~, on or before April 15 of each year,~~] file with the board the partnership identification number assigned to the partnership by the Internal Revenue Service[~~, and shall also file a copy of the tax return of the partnership~~]. ***On or before April 15 of each year, each partnership having an agreement on file with the board shall file a copy of the tax return of the partnership with the board.*** Failure to comply with the provisions of this subsection shall be prima facie evidence that the partnership agreement filed with the board is composed of "nonqualified partners" as defined in this section, and the board shall promptly notify interested government agencies of the failure of the filed partnership agreement to ***indicate compliance with*** [~~provide exemption of the partnership from the provisions of~~] KRS 342.340. With particular reference to employers engaged in coal mining, the board shall promptly report the failure to comply with the provisions of this subsection to the Department of Mines and Minerals so that appropriate action may be undertaken pursuant to KRS 351.175.

Section 3. KRS 342.020 is amended to read as follows:

(1) ***(a)*** In addition to all other compensation provided in this chapter, the employer shall pay for the cure and relief from the effects of an injury or occupational disease ***the*** [~~such~~] medical, surgical, and hospital treatment, including nursing, medical and surgical supplies and appliances, as may reasonably be required at the time of the injury and thereafter during disability, or as may be required for the cure and treatment of an occupational disease. The employee may select the physician to treat his injury[~~,~~] and the hospital in which he shall be treated. The employer, or an insurer on behalf of the employer, shall make all payments for services rendered to an employee directly to the provider of ***the*** [~~such~~] services within thirty (30) days of receipt of a statement for services.

(b) Notwithstanding paragraph (a) of this subsection, an employee, following his initial selection of a physician, may change treating physicians not more than one (1) time without prior written authorization of the employer's insurer or the party responsible for paying for the medical service or treatment, except that prior written authorization shall not be required in the case of a referral from a treating physician to a medical specialist. An initial selection of a physician made by the employer, his insurer or the party responsible for paying for the medical service or treatment, or medical service or treatment provided to an employee during an emergency situation does not constitute an employee's initial selection of physician. Within sixty (60) days after the effective date of this Act, the board shall promulgate administrative regulations which contain the manner in which prior written authorization may be requested by the employee and the time period in which a response to the request is required from the employer's insurer or the party responsible for paying for the medical service or treatment.

(c) A statement for medical services as defined in subsection (1)(a) of this section shall be on a form developed and provided by the board upon request and shall include, at a minimum, the following information: the patient's full name and social security number; the name of the employer at the time of the injury currently being treated; the date of injury; the treatment rendered including the Current Procedural Terminology (CPT) code and a brief description; the etiology of the patient's complaints; an itemized list of charges; the date or dates of treatment; the full name of the treating medical provider; and, a statement explaining the need for treatment and its relationship to the compensable injury. In lieu of a statement containing the above information, a medical provider may furnish the employer, or an insurer on behalf of the employer, a completed health insurance claim form approved by the American Medical Association Council on Medical Services or by the commissioner of the Department of Insurance pursuant to KRS 304.14-135.

(2) When a compensable injury or occupational disease results in the amputation of an arm, leg or foot, or the loss of hearing, or the enucleation of an eye or loss of teeth, the employer shall [~~initially~~] pay for, in addition to the other medical, surgical, and hospital treatment enumerated in subsection (1)***(a)*** and this subsection, a modern artificial member and, where required, proper braces ***as may reasonably be required at the time of the injury and thereafter during disability.***

(3) Upon motion of the employer, with sufficient notice to the employee for a response to be filed, if it is shown to the satisfaction of the administrative law judge by affidavits or testimony that because of the physician selected by the employee to treat his injury or disease, or because of the hospital selected by the employee in which he is being treated, that the employee is not receiving proper medical treatment and his recovery is being substantially affected or delayed; or that the funds for his medical expenses are being spent without reasonable benefit to the employee; or that because of the physician selected by the employee or because of the type of medical treatment being received by the employee that the employer will substantially be prejudiced in any compensation proceedings resulting from the employee's injury or disease; then the administrative law judge may allow the employer to select a physician to treat the employee and the hospital or hospitals in which the employee is treated for his injury or disease. No action shall be brought against any employer subject to this chapter by any person to recover damages for malpractice or improper treatment received by any employee from any physician, hospital or attendant thereof.

(4) An employee who reports an injury alleged to be work-related or files an application for adjustment of a claim shall execute a waiver and consent of any physician-patient, psychiatrist-patient or chiropractor-patient privilege with respect to any condition or complaint reasonably related to the condition for which the employee claims compensation. Notwithstanding any other provision in the Kentucky Revised Statutes, any physician, psychiatrist, chiropractor, podiatrist, hospital or health care provider shall, within a reasonable time after written request by the employee, employer, workers' compensation insurer, special fund, uninsured employers' fund, or the administrative law judge, provide the requesting party with any information or written material reasonably related to any injury for which the employee claims compensation.

(5) When a provider of medical services or treatment, as defined in this chapter, makes referrals for medical services or treatment required by this chapter, to a provider or entity in which the provider making the referral has an investment interest, the referring provider shall disclose that investment interest to the employee, the board, and the employer's insurer or the party responsible for paying for the medical services or treatment, within thirty (30) days from the date the referral was made.

Section 4. KRS 342.035 is amended to read as follows:

(1) ***By December 31, 1992*** [~~Within one hundred eighty (180) days following January 4, 1988~~], and periodically thereafter, the board shall promulgate administrative regulations to adopt a schedule of fees for the purpose of ensuring that all fees, charges, and reimbursements under KRS 342.020 shall be fair, current, and reasonable and shall be limited to [~~such~~] charges ***that*** [~~as~~] are fair, current, and reasonable for similar treatment of injured persons of a like standard of living in the same community and where [~~such~~] treatment is paid for by the injured person himself. In determining what fees are reasonable, the board may also consider the increased security of payment afforded by this chapter.

(2) ***No provider of medical services or treatment as defined in this chapter, its agent, servant, employee, assignee, employer, or independent contractor acting on behalf of any medical provider shall knowingly collect, attempt to collect, coerce, or attempt to coerce, directly or indirectly, the payment of any charge, for services covered by a workers' compensation insurance plan for the treatment of a work-related injury or occupational disease, in excess of that provided by a schedule of fees or cause the credit of any employee to be impaired by reason of the employee's failure or refusal to pay the excess charge. In addition to the penalty imposed in KRS 342.990 for violations of this subsection, any individual who sustains damages by any act in violation of the provisions of this subsection shall have a civil cause of action in Circuit Court to enjoin further violations and to recover the actual damages sustained by the individual, together with the costs of the lawsuit including a reasonable attorney's fee.***

(3) Where such requirements are furnished by a public hospital or other institution, payment thereof shall be made to the proper authorities conducting it. No compensation shall be payable for the death or disability of an employee if his death is caused, or if and insofar as his disability is aggravated, caused or continued, by an unreasonable failure to submit to or follow any competent surgical treatment or medical aid or advice.

(4) The board shall by December 1, 1992, promulgate administrative regulations to adopt a schedule of fees for the purpose of regulating charges by medical providers and other health care professionals for testimony presented and medical reports furnished in the litigation of a claim by an injured employee against the employer.

(5) (a) To ensure compliance with subsections (1) and (4) of this section, the board shall promulgate administrative regulations by December 31, 1992, which require each insurance carrier, group self-insurer, and self-insured employer to certify to the board the program or plan it has adopted to ensure compliance.

(b) In addition, the board shall periodically have an independent utilization review audit conducted by an independent person, firm, company, or other entity, which is licensed or certified by the Cabinet for Human Resources as a private review agent, to ensure that the requirements of subsections (1) and (4) of this section are being met. The private review agent shall protect the confidentiality of any information it receives during the audit, shall divulge information received during the audit only to the board, and shall use the information for no other purpose than the audit required by this paragraph.

(c) On October 1, 1993, and thereafter as often as requested, the board shall report to the Labor and Industry Committee of the General Assembly the degree of compliance or lack of compliance with the provisions of this section and make recommendations thereon.

(d) The cost of implementing and carrying out the requirements of this subsection shall be paid by the Workers' Compensation Funding Commission.

(6) For purposes of this chapter, any medical provider shall charge only their usual and customary fee for photocopying requested documents. However, in no event shall a photocopying feeexceed fifty cents ($0.50) per page. In addition, there shall be no charge for reviewing any records of a medical provider, during regular business hours, by any party requesting to conduct a review pursuant to this chapter.

Section 5. KRS 342.1202 is amended to read as follows:

(1) An award for income benefits for permanent total or permanent partial disability under this chapter based, in whole or in part, on a pre-existing disease or pre-existing condition of the back, or of the heart shall be apportioned, by the administrative law judge, fifty percent (50%) to the employer and fifty percent (50%) to the special fund. Apportionment required by this section shall not be a cause of appeal.

(2) The term "back" shall include the nerves, muscles, ligaments, fascia, intervertebral disks, and bones of the spine. The spine shall include the spinal cord and entire spinal column including the cervical, thoracic, lumbar, and sacral vertebrae.

Section 6. KRS 342.122 is amended to read as follows:

(1) (a) For the purpose of funding and prefunding the liabilities of the special fund, financing the administration and operation of the Division of Special Fund, financing the administration and operation of the Kentucky Workers' Compensation Funding Commission, and, financing the expenditures for all programs in the Labor Cabinet, except the Division of Employment Standards and Mediation and the Office of Labor-Management Relations, as reflected in the enacted budget of the Commonwealth enacted by the General Assembly, a special fund assessment at the rate of ***eleven and sixty-eight hundredths*** [~~sixteen and nine-tenths~~] percent ***(11.68%)*** [~~(16.9%)~~] is [~~hereby~~] imposed upon the amount of workers' compensation premiums received

on and after January 1, ***1992*** [~~1990~~], by every insurance carrier writing workers' compensation insurance in the Commonwealth and by every group of self-insurers operating under the provisions of KRS 342.350(4) and there is hereby imposed on and after January 1, ***1992*** [~~1990~~], a special fund assessment at the rate of ***eleven and sixty-eight hundredths*** [~~sixteen and nine-tenths~~] percent ***(11.68%)*** [~~(16.9%)~~] against the premium, as defined in KRS 342.0011, of every employer carrying his own risk. ***The assessment imposed by this paragraph is projected to produce seventy million dollars ($70,000,000) during calendar year 1992, and thirty-five million dollars ($35,000,000) for the period January 1, 1993 through June 30, 1993.***

(b) In addition to the assessment imposed in paragraph (a) of this subsection, an additional special fund assessment at the rate of forty-seven ***and twenty-eight hundredths*** percent ***(47.28%)*** [~~(47%)~~] is [~~hereby~~] imposed upon the amount of workers' compensation premiums received on and after January 1, ***1992*** [~~1990~~], by every insurance carrier writing workers' compensation insurance in the Commonwealth and by every group of self-insurers operating under the provisions of KRS 342.350(4), from employers engaged in the severance or processing of coal. Likewise, on and after January 1, ***1992*** [~~1990~~], an additional assessment at the rate of forty-seven ***and twenty-eight hundredths*** percent ***(47.28%)*** [~~(47%)~~] of premium shall be paid by every employer engaged in the severance or processing of coal who is carrying his own risk. ***The assessment rate imposed by this paragraph is projected to produce forty million dollars ($40,000,000) during calendar year 1992, and twenty million dollars ($20,000,000) for the period January 1, 1993 through June 30, 1993.***

(c) The assessments imposed in this chapter shall be in lieu of all other assessments or taxes on such premiums.

(2) ***(a) The General Assembly finds and declares that the 1987 Extraordinary Session of the General Assembly created the Workers' Compensation Funding Commission and directed that*** [~~On November 15, 1991, and each November 15, thereafter, the funding commission shall determine the amount of premiums reported and assessments imposed in subsection (1) of this section for such past period as appropriate.~~] if the funding commission determines that the special fund assessment rate imposed to produce seventy million dollars ($70,000,000) or the additional special fund assessment rate imposed to produce forty million dollars ($40,000,000) ***is*** [~~are~~] likely to produce more or less than seventy million dollars ($70,000,000) or forty million dollars ($40,000,000) during the next annual period, the commission shall, based upon ***that*** [~~such~~] determination, calculate [~~such~~] adjustments to each rate as shall be necessary to provide seventy million dollars ($70,000,000) and forty million dollars ($40,000,000) respectively, during the next annual period beginning on January 1 of each year. ***The funding commission has recommended, based on its actuarial analysis of liabilities described in subsections (1)(a) and (1)(b) of this section, that assessment rates for the fiscal year beginning July 1, 1993, be fixed to produce the amount authorized by subsections 2(b) and 2(c) of this section.***

(b) For the fiscal year beginning July 1, 1993, the total special fund collection shall be seventy-seven million, four hundred seventy-five thousand dollars ($77,475,000) from all insurance carriers writing workers' compensation insurance in the Commonwealth, for all groups of self-insurers operating under the provisions of KRS 342.350(4), and from all employers carrying their own risk. On July 1 of each year thereafter, the special fund collection from the previous year authorized by this section shall be increased three and three tenths percent (3.3%), unless modified by the General Assembly.

(c) Beginning July 1, 1993, the additional total special fund collection from every insurance carrier writing workers' compensation insurance in the Commonwealth and by every group of self-insurers operating under the provisions of KRS 342.350(4), from employers engaged in the severance or processing of coal, and from all employers engaged in the severance or processing of coal carrying their own risk, shall be thirty-five million dollars ($35,000,000), unless modified by the General Assembly.

(3) The Workers' Compensation Funding Commission shall complete a comprehensive actuarial analysis of the unfunded liability of the Workers' Compensation Special Fund. This analysis shall be completed not later than September 1, 1993, and each September 1 biennially thereafter, and shall include an apportionment of the total liabilities described in subsections (1)(a) and (1)(b) of this section. Based upon the actuarial study, the funding commission shall recommend to the 1994 General Assembly the assessment rates necessary to ensure the actuarial soundness and adequacy of the funding mechanism for the special fund and other programs supported by that mechanism.

(4) On or before November 15 of each year, the funding commission shall set the assessment rates necessary to produce the special fund collections authorized by subsection (2) of this section.

(5) On or before December 1 of each year, the commission shall notify each insurance company writing workers' compensation insurance in the Commonwealth, every group of self-insurers, and each employer carrying his own risk of the adjusted rates which shall become effective on ***July*** [~~January~~] 1, of each year, unless modified by the General Assembly.

(6)[~~(3)~~] All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be credited to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission.

(7)[~~(4)~~] ***The*** [~~Such~~] assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments. ***The assessment rates in effect on the effective date of any workers' compensation policy shall apply to that policy for the entire policy year, regardless of payment plan, and shall be used for all rating adjustments, including endorsements, audits and retrospective adjustments.***

(8)[~~(5)~~] The assessments [~~herein~~] imposed ***in this section*** may be collected by the insurance carrier from his insured, provided however, the insurance carrier shall not collect from the employer any amount exceeding the assessments imposed pursuant to this section. If the insurance carrier collects the assessment from an insured, ***the*** [~~such~~] assessment shall be collected [~~at the same time and~~] in the same proportion as the premium is collected. Each statement from an insurance carrier presented to an insured reflecting premium and assessment amounts shall clearly identify and distinguish the amount to be paid for premium and the amount to be paid for assessments. [~~No insurance carrier shall collect from an insured an amount in excess of the assessment percentages in effect at the time the statement of the premium is sent to the insured.~~]

(9)[~~(6)~~] The funding commission, as part of the collection and auditing of the special fund assessments required ***in this section*** [~~herein~~], shall annually require each insurance carrier and each group self-insurer to provide a list of employers which it has insured or which are members and the amount collected from each [~~such~~] employer. Additionally, the funding commission shall require each entity paying a special fund assessment to report the SIC code for each employer and the amount of premium collected from each SIC code. An insurance carrier or group self-insurer may require its insureds or members to furnish the SIC code for each of their employees, provided however, the failure of any employer to furnish ***the*** [~~said~~] codes shall not relieve the insurance carrier or group self-insurer from the obligation to furnish ***the codes*** [~~same~~] to the funding commission. The Division of Unemployment Insurance is [~~hereby~~] directed to make available the SIC codes assigned in its records to specific employers to aid in the reporting and recording of the special fund assessment data.

(10)[~~(7)~~] Each self-insured employer, group self-insurer or insurance carrier shall provide any information and submit any reports the Revenue Cabinet or the funding commission may require to effectuate the provisions of this section. ***Premiums for insurance carriers shall be reported consistent with the reporting of workers' compensation premiums on the exhibit of premiums and loss of the annual statement convention blank which the Commissioner of Insurance requires each insurance carrier to file on or before March 1 each year.*** In addition, the funding commission may enter reciprocal agreements with other governmental agencies for the exchange of information necessary to effectuate the provisions of this section.

(11)[~~(8)~~] The special fund shall be required to maintain a central claim registry of all claims to which it is named a party, giving each [~~such~~] claim a unique claim number and thereafter recording the status of each claim on a current basis. ***The*** [~~Such~~] registry shall be established by January 26, 1988, for all claims on which payments were made since July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all claim files in the possession of the special fund.

(12)[~~(9)~~] The fund heretofore designated as the subsequent claim fund is abolished and there is substituted therefor the special fund as herein set out and all moneys and properties owned by the subsequent claim fund are transferred to the special fund.

(13)[~~(10)~~] Notwithstanding any other provision of this section or this chapter, or the Kentucky Revised Statutes, generally, the assessment rates for the special fund, as determined herein, which were in force and effect on January 1, 1990, shall continue in force and effect until December 1, 1991, and the total amount of funds collected pursuant to ***the*** [~~such~~] assessment rates shall not be limited to the provisions of this section.

Section 7. KRS 342.1222 is amended to read as follows:

(1) Every insurance carrier shall be entitled to a refund or credited with assessments paid on all canceled or returned premiums, including dividends paid or credited to policyholders.

(2) The assessments paid pursuant to the provisions of this chapter shall be refunded or credited in the manner provided in KRS 134.580, provided that the claim for refund or credit ***with respect to all claims filed on or after July 13, 1990,*** is made by the insurance carrier within ***four (4) years*** [~~one (1) year~~] of the ***due date of the return*** [~~end of the policy year~~].

(3) A claim for refund or credit shall be made on a form prescribed by the funding commission and shall contain ***any*** [~~such~~] information ***that*** [~~as~~] the funding commission may require.

(4) No insurance carrier shall be entitled to a refund or credit of the assessments paid pursuant to the provisions of this chapter where the assessments have been collected from an employer as provided by KRS 342.122, unless the amount of assessments collected from the employer are refunded to him by the insurance carrier who paid the assessments to the funding commission.

Section 8. KRS 342.1223 is amended to read as follows:

(1) The Kentucky Workers' Compensation Funding Commission is created as an agency of the Commonwealth for the public purpose of controlling, investing, and managing the funds collected pursuant to KRS 342.122.

(2) The commission shall:

(g) Conduct periodic audits independently or in cooperation with the Labor Cabinet***, the Department of Insurance,*** or the Revenue Cabinet of all entities subject to the assessments imposed in KRS 342.122***, except that all premium reports and examinations of insurance carriers shall be in compliance with Subtitle 2 of KRS Chapter 304***; and

(h) Report monthly to the Committee on Appropriations and Revenue its monthly expenditures of restricted agency funds and the nature of ***those*** [~~such~~] expenditures.

(3) The commission shall have all of the powers necessary or convenient to carry out and effectuate the purposes for which it was established including, but not limited to, the power:

(4) Notwithstanding the provisions of KRS Chapter 342 to the contrary, the Kentucky Workers' Compensation Funding Commission shall utilize the investment expertise and advice of the Office of Financial Management and Economic Analysis rather than entering into a consulting contract for investment counseling. The fees charged by financial institutions for managing the investments of the funds of the funding commission shall be paid from the investment earnings of ***those*** [~~such~~] funds.

(5) The commission shall be attached to the Revenue Cabinet for administrative purposes only.

Section 9. KRS 342.213 is amended to read as follows:

(1) Except as provided in subsection (3) of this section the Governor shall make all appointments to the board***, subject to the consent of the Senate in accordance with KRS 11.160,*** by choosing one (1) of three (3) names presented to him by the Workers' Compensation Board Nominating Commission.

(2) The Workers' Compensation Board Nominating Commission shall consist of seven (7) members appointed by the Governor as follows:

(a) Two (2) members shall be attorneys experienced in the practice of workers' compensation, one (1) of whom customarily represents claimants, and one (1) of whom customarily represents employers. Both shall serve terms of two (2) years, but their successors shall be appointed to terms of four (4) years.

(b) 1. One (1) member of the political party having the largest number of registered voters and one (1) member of the political party having the second largest number of registered voters shall serve a term of three (3) years; and

(c) In the event of a lump-sum settlement or payment of an award by lump sum, the administrative law judge, upon request of the claimant, may order the payment of the attorney's fee in a lump sum directly to the attorney of record and deduct the attorney's fee from the lump sum due to the claimant.

SB 217, AN ACT relating to insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF SUBTITLE 14 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

As used in Sections 1 to 6 of this Act, unless the context requires otherwise:

(1) "Long-term care insurance" means any insurance policy or rider advertised, marketed, offered, or designed to provide coverage for not less than twelve (12) consecutive months for each covered person on an expense-incurred, indemnity, prepaid, or other basis for one (1) or more necessary or medically necessary diagnostic, preventive, therapeutic, rehabilitative, maintenance, or personal care services, provided in a setting other than an acute care unit of a hospital. This term includes group and individual annuities and life insurance policies or riders which provide directly or which supplement long-term care insurance. This term also includes a policy or rider which provides for payment of benefits based upon cognitive impairment or the loss of functional capacity. Long-term care insurance may be issued by insurers, fraternal benefit societies, nonprofit hospital, medical-surgical, dental, and health service corporations, health maintenance organizations, or any similar organization to the extent they are otherwise authorized to issue life or health insurance. Long-term care insurance shall not include any insurance policy which is offered primarily to provide basic medicare supplement coverage, basic hospital expense coverage, basic medical-surgical expense coverage, hospital confinement indemnity, major medical expense coverage, disability income or related asset-protection coverage, accident only coverage, specified disease or specified accident coverage, or limited benefit coverage. With regard to life insurance, this term does not include life insurance policies which accelerate the death benefit specifically for one (1) or more of the qualifying events of terminal illness, medical conditions requiring extraordinary medical intervention, or permanent institutional confinement, and which provide the option of a lump-sum payment for those benefits and in which neither the benefits nor the eligibility for the benefits is conditioned upon the receipt of long-term care. Any product advertised, marketed, or offered as long-term care insurance shall be subject to the provisions of Sections 1 to 6 of this Act.

(2) "Applicant" means:

(a) In the case of an individual long-term care insurance policy, the person who seeks to contract for benefits; and

(b) In the case of a group long-term care insurance policy, the proposed certificate holder.

(3) "Certificate" means any certificate issued under a group long-term care insurance policy, which policy has been delivered or issued for delivery in Kentucky, except as provided in Section 3 of this Act.

(4) "Group long-term care insurance" means a long-term care insurance policy which is delivered or issued for delivery in Kentucky and issued to:

(a) One (1) or more employers or labor organizations, or to a trust or to the trustees of a fund established by one (1) or more employers or labor organizations, or a combination thereof, for employees or former employees or a combination thereof, or for members or former members or a combination thereof, of the labor organizations;

(b) Any professional, trade, or occupational association for its members or former or retired members, or combination thereof, if the association:

1. Is composed of individuals all of whom are or were actively engaged in the same profession, trade, or occupation; and

2. Has been maintained in good faith for purposes other than obtaining insurance;

(c) An association or a trust or the trustee of a fund established, created, or maintained for the benefit of members of one (1) or more associations. Prior to advertising, marketing, or offering the policy within Kentucky, the insurer of the association shall file with the commissioner evidence that the association has at the outset a minimum of one hundred (100) persons and has been organized and maintained in good faith for purposes other than that of obtaining insurance, has been in active existence for at least one (1) year, and has a constitution and bylaws which provide:

1. The association holds regular meetings not less than annually to further the purposes of the members;

2. Except for credit unions, the association collects dues or solicits contributions from members; and

3. The members have voting privileges and representation on the governing board and committees.

The association shall be deemed to satisfy the organizational requirements unless the commissioner makes a finding that the association does not satisfy those organizational requirements within the time set forth in KRS 304.14-120; or

(d) A group other than that described in paragraphs (a), (b), and (c) of this subsection, subject to a finding by the commissioner that:

1. The issuance of the group policy is not contrary to the best interest of the public;

2. The issuance of the group policy would result in economies of acquisition or administration; and

3. The benefits are reasonable in relation to the premiums charged.

(5) "Policy" means any policy, contract, subscriber, agreement, enrollment agreement, rider, or endorsement delivered or issued for delivery in Kentucky.

SECTION 2. A NEW SECTION OF SUBTITLE 14 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) The purpose of Sections 1 to 6 of this Act is to promote the public interest, to promote the availability of long-term care insurance policies, to protect applicants for long-term care insurance from unfair or deceptive sales or enrollment practices, to establish standards for long-term care insurance, to facilitate public understanding and comparison of long-term care insurance policies, and to facilitate flexibility and innovation in the development of long-term care insurance coverage.

(2) The requirements of Sections 1 to 6 of this Act shall apply to policies delivered or issued for delivery in this Commonwealth on or after the effective date of Sections 1 to 6 of this Act, except as stated in Section 3 of this Act. Sections 1 to 6 of this Act are not intended to supersede the obligations of entities subject to Sections 1 to 6 of this Act to comply with the substance of other applicable insurance laws insofar as they do not conflict with Sections 1 to 6 of this Act, except that laws and administrative regulations designed and intended to apply to medicare supplement insurance policies shall not be applied to long-term care insurance.

SECTION 3. A NEW SECTION OF SUBTITLE 14 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Group long-term care insurance coverage shall not be offered to a resident of Kentucky under a group policy issued in another state to a group described in paragraph (d) of subsection (4) of Section 1 of this Act unless the commissioner or the insurance supervisory official of another state having statutory and regulatory long-term care insurance requirements substantially similar to Sections 1 to 6 of this Act, has made a determination that these requirements have been met. Certificates of group long-term care insurance shall be filed with the commissioner as required by KRS 304.14-120.

SECTION 4. A NEW SECTION OF SUBTITLE 14 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) The commissioner shall promulgate administrative regulations that include standards for full and fair disclosure setting forth the manner, content, and require disclosures for the sale of long-term care insurance policies, terms of renewability, initial and subsequent conditions of eligibility, nonduplication of coverage provisions, coverage of dependents, preexisting conditions, termination of insurance, continuation of conversion, probationary periods, limitations, exceptions, reductions, elimination periods, requirements for replacement, recurrent conditions, and definitions of terms.

(2) A long-term care insurance policy shall not:

(a) Be canceled, nonrenewed, or otherwise terminated on the grounds of the age or the deterioration of the mental or physical health of the insured individual or certificate holder;

(b) Contain a provision establishing a new waiting period in the event existing coverage is covered to or replaced by a new or other form within the same insurer, except with respect to an increase in benefits voluntarily selected by the insured individual or group policyholder; or

(c) Provide coverage for skilled nursing care only or provide significantly more coverage for skilled care in a facility than coverage for lower levels of care.

(3) (a) A long-term care insurance policy or certificate, other than a policy or certificate thereunder issued to a group defined in paragraph (a) of subsection (4) of Section 1 of this Act, shall not use a definition of "preexisting condition" which is more restrictive than the following: "Preexisting condition means a condition for which medical services or treatment was recommended by, or received from, a provider of health care services within six (6) months preceding the effective date of coverage of an insured person."

(b) A long-term care insurance policy or certificate, other than a policy or certificate under a policy issued to a group as defined in paragraph (c) of subsection (4) of Section 1 of this Act, shall not exclude coverage for a loss or confinement which is the result of a preexisting condition unless that loss or confinement begins within six (6) months following the effective date of coverage of an insured person.

(c) The commissioner may extend the limitation periods set forth in subsection (3)(a) and (b) of this section as to specific age group categories in specific policy forms upon finding that the extension is in the best interest of the public.

(d) The definition of "preexisting condition" does not prohibit an insurer from using an application form designed to elicit the complete health history of an applicant, and, on the basis of the answers on that application, from underwriting in accordance with that insurer's established underwriting standards. Unless otherwise provided in the policy or certificate, a preexisting condition, regardless of whether it is disclosed on the application, need not be covered until the waiting period described in paragraph (b) of this subsection expires. A long-term care insurance policy or certificate shall not exclude or use waivers or riders of any kind to exclude, limit, or reduce coverage or benefits for specifically named or described preexisting diseases or physical conditions beyond the waiting period described in paragraph (b) of this subsection.

(4) (a) A long-term care insurance policy shall not be delivered or issued for delivery in this Commonwealth if the policy:

1. Conditions eligibility for any benefits on a prior hospitalization requirement;

2. Conditions eligibility for benefits provided in an institutional care setting on the receipt of a higher level of institutional care; or

3. Conditions eligibility for any benefits other than waiver of premium, post-confinement, post-acute care, or recuperative benefits on a prior institutionalization requirement.

(b) 1. A long-term care insurance policy containing post-confinement, post-acute care, or recuperative benefits shall clearly label in a separate paragraph of the policy or certificate entitled "limitations or conditions on eligibility for benefits" the limitations or conditions, including any required number of days of confinement.

2. A long-term care insurance policy or rider which conditions eligibility of noninstitutional benefits on the prior receipt of institutional care shall not require a prior institutional stay of more than thirty (30) days.

(5) The commissioner may promulgate administrative regulations establishing loss ratio standards for long-term care insurance policies if a specific reference to long-term care insurance policies is contained in the administrative regulations.

If the city legislative body decides the proposed dedication would be beneficial to the public interest and suitable for the immediate or future acceptance of the city, it shall approve the map or plat, and the mayor shall subscribe a certificate of approval on the map and acknowledge the execution thereof before any public officer authorized to take acknowledgments of deeds. The map or plat may then be recorded in the office of the county clerk.

(2) Except as provided for by ordinance in a city of the first class or in a county containing a city of the first class, subdivision regulations which have been adopted as provided in KRS Chapter 100, and where streets or public ways as dedicated on the final subdivision plat have been constructed, inspected, and approved in accordance with the subdivision regulations, then the procedure for filing the map or plat with the city legislative body as required in subsection (1) of this section shall be waived, and the dedicated street or public way shall automatically be deemed beneficial to the public interest and shall be, by operation of law, automatically accepted for maintenance by the city forty-five (45) days after inspection and final approval, and shall be a public way for all purposes, KRS Chapter 83A, regarding a city's adoption of ordinances notwithstanding.

(3) When any property has been opened to the unrestricted use of the general public for five (5) consecutive years, it shall be conclusively presumed to have been dedicated to the city as a public way or easement, subject to acceptance by the city. The city may, at any time after the expiration of five (5) years from the time the property is opened to the public, pass an ordinance declaring it so dedicated, and accepting the dedication, whereupon it shall be a public way or easement of the city for all purposes. The lack of an actual dedication to the city, or of a record title on the part of the city, shall be no defense against the collection of any tax that may be levied against property abutting thereon for the payment of the cost of any improvement constructed thereon by order of the city. Nothing herein shall be construed to require the expiration of five (5) years to raise a presumption of dedication in any case where, under any rule of law in force in this state, a dedication would be presumed in less than five (5) years. Provided, however, that no property of a carrier by rail, as defined in KRS 276.010(3), shall be presumed to be dedicated as a public way or easement under this section or any other rule of law in force in this state unless the carrier consents to said dedication in writing.

(4) Any person who shall lodge for record in the county clerk's office, and any county clerk or deputy who shall receive for record or permit to be lodged for record, any plat, map, deed, or other instrument contrary to the provisions of this section, shall be fined not less than twenty-five dollars ($25) nor more than one hundred dollars ($100) for each offense.

WHEREAS, an estimated 43 million Americans have one or more physical or mental disabilities; and

WHEREAS, despite efforts to the contrary society has demonstrated a tendency to segregate persons with disabilities, and discrimination against these persons continues to be a pervasive social problem; and

WHEREAS, the existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our free society is recognized throughout the world;

NOW, THEREFORE,

Be it resolved by the Senate of the General Assembly of the Commonwealth of Kentucky, the House of Representatives concurring therein:

The county shall establish a payment schedule subject to approval by the board for payment of such service credit. The maximum period allowed in a payment schedule shall be ten (10) years with interest at the rate actuarially assumed by the board; however, a shorter period is desirable and the board may approve any schedule provided it is not longer than a ten (10) year period;

(d) If a county or department elects the provisions of this subsection, any present employee who would be eligible to receive service credit under the provisions of this subsection and has purchased service credit under subsection (4) or (5) of this section shall have his payment for such service credit refunded with interest at the rate paid under KRS 61.575 or 78.640;

(e) Any payments made by a county or department under this subsection shall be deposited to the retirement allowance account of the proper retirement system and these funds shall not be considered accumulated contributions of the individual members.

(10) Interest paid by a member of the Kentucky Employees Retirement System, County Employees Retirement System, or State Police Retirement System under this section or other similar statutes under KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 prior to June 19, 1976, shall be credited to the individual member's contribution account in the appropriate retirement system and considered as accumulated contributions of the member.

(11) Members who served as assistants to officers and employees of the General Assembly who were unable to acquire service under KRS 61.510(20) may purchase credit for such service performed after January 1, 1960, provided the service purchased when added to other accumulated service will total at least forty-eight (48) months. Service credit under this section shall be obtained by the payment of a delayed contribution which shall not be picked up by the employer as described in KRS 61.560(4).

(12) Effective August 1, 1988, any employee participating in one (1) of the state-administered retirement systems may purchase service credit for seasonal, emergency, or temporary employment or part-time employment averaging one hundred (100) or more hours of work per month on an annual or fiscal year basis. If the average number of hours of work is less than one hundred (100) per month, the member shall be allowed credit only for those months he receives creditable compensation for one hundred (100) hours of work. The cost will be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 61.560(4). Teacher aides, secretaries, custodial personnel, and cafeteria employees of a school district may purchase service credit for part-time employment prior to the 1990-91 school year which averaged eighty (80) or more hours of work per month on an annual or fiscal year basis by paying to the County Employees Retirement System a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 78.610(4), by the employer. Payment shall be by lump sum, except that the employee may pay by increments. The minimum increment payment shall be for a full year of service unless there is a fraction remaining after all full years have been paid for.

(13) A retired member, who is contributing to one (1) of the state-administered retirement programs and purchases service credit under this section in the system or systems from which he is retired, will have his retirement allowance recomputed:

(a) Upon termination from employment, if the member is contributing to the same system or systems from which he was retired; or

(b) Upon completion of six (6) months' service credit as required under subsection (6) of this section, if the member is contributing to a system other than the system or systems from which he is retired.

(14) Any employee participating in one (1) of the state-administered retirement systems may obtain credit for prior or current service for any period of approved educational leave by paying to the respective retirement system a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(15) Any employee participating in one (1) of the state-administered retirement systems may obtain credit for prior or current service for any period of approved maternity leave granted prior to January 1, 1972, or for any period of approved sick leave without pay, by paying to the respective retirement system a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(16) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by making installment payments in lieu of a lump sum payment.

(a) The cost of the service shall be computed in the same manner as for a lump-sum payment which shall be the principal; and interest, at the actuarial rate in effect at the time the member elects to make the purchase compounded annually, shall be added for the the period that the installments are to be made. Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one (1) installment purchase at the same time. The employee may elect to stop the installment payments by notifying the retirement system; or may have the installment purchase recalculated to add one (1) or more additional service purchases or may pay by lump sum the remaining principal.

(b) Twelve (12) consecutive monthly installment payments will be made for each one thousand dollars ($1,000) or any part thereof of the total cost, except that the total number of installments shall not be less than twelve (12) and shall not exceed sixty (60).

(c) The employee shall pay the installments by payroll deduction each pay period. Upon notification by the retirement system, the employer shall report the installment payments separate from regular employee contributions on the forms or by the computer format specified by the board. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 61.560(4) and no employer contributions shall be paid on the installments.

(d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.

(e) If the employee dies, retires, terminates employment, or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary, shall have thirty (30) days to pay the remaining principal of the purchase by lump sum. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments or portion of a payment that does not represent a full month of service purchased.

(f) If the employer does not report installment payments on an employee for sixty (60) days, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(g) If payments have ceased under subsection (15)(e) or (f) of this section and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases,the employee may not separate those purchases under a new installment purchase.

(h) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by transferring funds directly from a retirement plan maintained by his employer which is a qualified plan pursuant to Section 401(a) of the Internal Revenue Code or by a rollover of funds from the plan pursuant to the rules specified in Section 402(a)(5) of the Internal Revenue Code and the Kentucky Retirement Systems shall accept the transfer or rollover. The amount shall be credited to the individual member's contribution account in the appropriate retirement system and shall be considered accumulated contributions of the member.".

Floor Amendment No. 2 to **SB 328**, by Representative Deskins:

Amend printed copy of **SB 328/GA** on page 52, after line 22, by adding the following section:

"Section 18. KRS 342.732 is amended to read as follows:

(1) Notwithstanding any other provision of this chapter, income benefits and retraining incentive benefits for occupational pneumoconiosis resulting from exposure to coal dust shall be paid as follows:

(a) If the administrative law judge finds that an employee has a radiographic classification of category 1/0, 1/1 or 1/2, based on the latest ILO International Classification of Radiographics, resulting from exposure to coal dust, which is validated by two (2) x-rays and reports of the x-rays which conform to the standards for x-rays contained in subsection (2) of KRS 342.316, he shall award a one time only retraining incentive benefit which shall be an amount equal to sixty-six and two-thirds percent (66 2/3%) of the employee's average weekly wage but not more than seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740, multiplied by fifty percent (50%) and shall be payable for a period not to exceed two hundred and eight (208) weeks. The one time only retraining incentive benefit awarded under this paragraph may be collected semimonthly as provided in KRS 342.040, by the employee while he continues to work in the mining industry. The retraining incentive benefit may be collected in a lump sum when the employee leaves his hazardous employment in the mining industry if the parties agree and the agreement is approved by the administrative law judge. Based upon this examination, the administrative law judge may make appropriate findings and enter an award if indicated.

(b) If the administrative law judge finds that an employee has a radiographic classification of category 1/0, 1/1, or 1/2, based on the latest ILO International Classification of Radiographics, and respiratory impairment resulting from exposure to coal dust as evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values contained in the chapter on the respiratory system of the latest edition available of the guides to the evaluation of permanent impairment published by the American Medical Association, there shall be an irrebuttable presumption that the employee has an occupational disability rating of seventy-five percent (75%) resulting from exposure to coal dust and the administrative law judge shall award an income benefit which shall be an amount equal to sixty-six and two-thirds percent (66 2/3%) of the employee's average weekly wage multiplied by the disability rating of seventy-five (75%) but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740. The award shall be payable for a period not to exceed four hundred and twenty-five (425) weeks.

(c) If the administrative law judge finds that an employee has a radiographic classification of category 1/0, 1/1 or 1/2, based on the latest ILO International Classification of Radiographics, and respiratory impairment as evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values contained in the chapter on the respiratory system of the latest edition available of the Guides to the Evaluation of Permanent Impairment published by the American Medical Association, there shall be an irrebuttable presumption that the employee is totally disabled resulting from exposure to coal dust and the administrative law judge shall award income benefits which shall be equal to sixty-six and two-thirds percent (66 2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the state average weekly wage as determined by KRS 342.740. Income benefits awarded under this paragraph shall be payable to the employee during such disability.

(d) If the administrative law judge finds that an employee has occupational pneumoconiosis with a radiographic classification of category 2/1, 2/2, 2/3, 3/2, 3/3 or progressive massive fibrosis, based on the latest ILO International Classification of Radiographics, there shall be an irrebuttable presumption that the employee is totally disabled resulting from exposure to coal dust and the administrative law judge shall award income benefits equal to sixty-six and two-thirds percent (66 2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the average weekly wage of the state as determined by KRS 342.740. Income benefits awarded under this paragraph shall be payable to the employee during such disability.

(2) The presence of respiratory impairment resulting from exposure to coal dust shall be established by using the largest forced vital capacity (FVC) value or the largest forced expiratory volume in one second (FEV1) value determined from the totality of all such spirometric testing performed in compliance with accepted medical standards. ***However, if the administrative law judge determines from the totality of all spirometric testing, performed in compliance with accepted medical standards, that the largest spirometric test values set out in this subsection do not accurately demonstrate the presence of respiratory impairment, he may determine the presence of respiratory impairment on the basis of the spirometric test values which he determines more accurately establishes the presence of respiratory impairment.***

(3) When valid spirometric tests are not provided and a physician certifies to the administrative law judge that spirometric testing is not medically indicated because of the permanent physical condition of the employee, the administrative law judge shall make his decision on the basis of evidence admitted which establishes the existence of a diagnosis of occupational pneumoconiosis and respiratory impairment due to such occupational pneumoconiosis. The evidence submitted by the employee shall include one (1) or more arterial blood gas studies performed in accordance with accepted medical standards. Income benefits shall not be awarded in the absence of valid spirometric tests if the claimant's PO2 arterial blood gas value is equal to or higher than one (1) standard deviation from the normal value obtained by the formula (103.5 - 0.42X), where X equals the claimant's age at the time of the arterial blood gas study."

(a) Recover from persons liable therefor for the benefit of the hazardous waste management fund, the cabinet's actual and necessary costs expended in response to a threatened release, an environmental emergency or a release of a hazardous substance reportable under subsection (4) of this section. Except as provided in paragraph (b) of this subsection, this section is intended solely to recognize the existence of a cause of action on behalf of the cabinet and is not intended to expand or contract the bases of liability, the elements of proof or the amount of liability of any person;

(b) Notwithstanding paragraph (a) of this subsection, recover its costs incurred in the removal of oil or hazardous substances discharged in violation of Section 311(b)(3) of the Federal Clean Water Act from any person liable therefor under Section 311 of the Federal Clean Water Act subject to limitations of liability and defenses provided in said section. Such limitations of liability shall apply to the total of state and federal expenses;

(c) In every case where action required under this section is not being adequately taken or the identity of the person responsible for the release or threatened release is unknown, the cabinet or its agent may contain, remove or dispose of the hazardous substance, pollutant, or contaminant or take any other action consistent with this section, including, but not limited to, issuance of an emergency order as provided in KRS 224.10-410 to the person possessing, controlling or responsible for the release or threatened release as necessary for the protection of the environment and public health, safety or welfare;

(8) Any duly authorized officer, employee or agent of the cabinet may upon notice to the owner or occupant enter any property, premises or place at any time for the purposes of this section, if such entry is necessary to prevent damage to the air, land or waters of the Commonwealth. Notice to the owner or occupant shall not be required if the delay attendant upon providing it will result in imminent risk to public health or safety.

(9) The cabinet shall prepare and annually update an inventory of all sites in the Commonwealth at which there is or has been an environmental emergency or a release of a hazardous substance, pollutant, or contaminant. In preparing the inventory, the cabinet shall determine, based on information available to the cabinet, the impact of each site on public health and the environment and identify the relative priority for restoration or remedial action. Upon determining that no further restoration or remedial action is necessary, the cabinet shall so designate the site on the inventory. A separate designation of sites where a remedial action involving on-site containment or treatment has been performed and other sites where restoration of the environment has not been achieved shall be maintained. A review of environmental conditions at sites remediated by on-site containment or treatment and other sites where restoration or remediation of the environment is not achieved shall be conducted by the cabinet every five (5) years to determine whether additional action is necessary to protect human health or the environment.

(10) Upon a cabinet determination that an application satisfies the requirements of this subsection, remedial action may be conducted in response to a release of a hazardous substance, pollutant, or contaminant. The remedial action shall protect human health, safety, and the environment considering the following factors as appropriate:

(a) The characteristics of the substance, pollutant, or contaminant, including its toxicity, persistence, environmental fate and transport dynamics, bioaccumulation, biomagnification, and potential for synergistic interaction and with specific reference to the environment into which the substance, pollutant, or contaminant has been released;

(b) The hydrogeologic characteristics of the facility and the surrounding area;

(c) The proximity, quality, and current and future uses of surface water and groundwater;

(d) The potential effects of residual contamination of potentially impacted surface water and groundwater;

(e) The chronic and acute health effects and environmental consequences to terrestrial and aquatic life of exposure to the hazardous substance, pollutant, or contaminant through direct and indirect pathways;

(f) An exposure assessment; and

(g) All other available information.

(11) ***(a)*** The cabinet shall have a lien against the real and personal property of a person liable for the actual and necessary costs expended in response to a release or threatened release or an environmental emergency. The lien shall be filed with the county clerk of the county in which the property of the person is located.

(b) If a financial institution exempted from liability by subsection (14) of this section conveys the site it has acquired, then the cabinet shall have a lien against the site for the actual and necessary costs expended in response to a release or threatened release or an environmental emergency. The lien shall be filed with the county clerk of the county in which the site is located.

(12) Nothing in this section shall replace the financial and technical assistance available to the Commonwealth pursuant to Section 311 of the Federal Clean Water Act (Public Law 92-500) as amended, but rather shall be used to provide the Commonwealth with a mechanism for additional response to releases and threatened releases of hazardous substances, pollutants, or contaminants.

(13) Defenses to liability and limitations to liability shall be determined in accordance with Sections 107(a) through (d) and 113(f)(1) of the Comprehensive Environmental Response Compensation and Liability Act, as amended, and the Federal Clean Water Act, as amended.

(14) In addition to the defenses and limitations provided in subsection (13) of this section, a financial institution that acquired a site by foreclosure, by receiving an assignment, by deed in lieu of foreclosure, or by otherwise becoming the owner as a result of the enforcement of a mortgage, lien, or other security interest held by the financial institution, shall not be liable under this section with respect to the site, if:

(a) The financial institution served only in an administrative, custodial, financial, or similar capacity with respect to the site before its acquisition;

(b) The financial institution did not control or direct the handling of the material causing the environmental emergency, or control or direct the handling of the hazardous substance, pollutant, or contaminants, at the site before its acquisition;

(c) The financial institution did not participate in the day-to-day management of the site before its acquisition;

(d) The financial institution, at the time it acquired the site, did not know and had no reason to know that a hazardous substance, pollutant, or contaminant was disposed at the site. For purposes of this paragraph, the financial institution shall have undertaken, at the time of acquisition, all appropriate inquiries into the previous ownership and uses of the property consistent with good commercial or customary practice in an effort to minimize liability. What actions constitute all appropriate inquiries shall be determined by taking into account any specialized knowledge or experience on the part of the financial institution, the relationship of the market value of the site to the value of the site if uncontaminated, commonly known or reasonably ascertainable information about the site, the obviousness of the presence or likely presence of contamination at the site, the ability to detect the contamination by appropriate inspection and any other relevant factor;

(e) The financial institution, when it undertakes actions to protect or preserve the value of the site, undertakes those actions in accordance with this chapter and the administrative regulations adopted pursuant thereto;

(f) The financial institution, its employees, agents, and contractors did not cause or contribute to an environmental emergency, or to a release or threatened release of a hazardous substance, pollutant, or contaminant; and

(g) The financial institution complies with the release notification requirements of subsection (4) of this section.

(15) In addition to the defenses and limitations provided in subsection (13) of this section, a financial institution serving as a fiduciary with respect to an estate or trust, the assets of which contain a site, shall not be liable under this section with respect to the site if:

(a) The financial institution served only in an administrative, custodial, financial, or similar capacity with respect to the site before it became a fiduciary;

(b) The financial institution did not control or direct the handling of the material causing the environmental emergency, or control or direct the handling of the hazardous substance, pollutant, or contaminants, at the site before it became a fiduciary;

(c) The financial institution did not participate in the day-to-day management of the site before it became a fiduciary;

(d) The financial institution, at the time it became a fiduciary, did not know and had no reason to know that a hazardous substance, pollutant, or contaminant was disposed at the site. For purposes of this paragraph, the financial institution shall have undertaken, at the time it became a fiduciary, all appropriate inquiries into the previous ownership and uses of the property consistent with good commercial or customary practice in an effort to minimize liability. What actions constitute all appropriate inquiries shall be determined by taking into account any specialized knowledge or experience on the part of the financial institution, the relationship of the market value of the site to the value of the site if uncontaminated, commonly known or reasonably ascertainable information about the site, the obviousness of the presence or likely presence of contamination at the site, the ability to detect the contamination by appropriate inspection, and any other relevant factor;

(e) The financial institution, when it undertakes actions to protect or preserve the value of the site, undertakes those actions in accordance with this chapter and the administrative regulations adopted pursuant thereto;

(f) The financial institution, its employees, agents, and contractors did not cause or contribute to an environmental emergency, or to a release or threatened release of a hazardous substance, pollutant, or contaminant; and

(g) The financial institution complies with the release notification requirements of subsection (4) of this section.

(1) Upon receipt of a report alleging abuse or neglect by a parent, guardian, or person exercising custodial control or supervision, pursuant to KRS 620.030(1) or (2), the recipient of the report shall forthwith notify the cabinet or its designated representative, the local law enforcement agency or Kentucky State Police and the Commonwealth's or county attorney of the receipt of the report. The cabinet shall investigate the matter immediately and within forty-eight (48) hours, exclusive of weekends and holidays, make a written report to the Commonwealth's or county attorney and the local enforcement agency or Kentucky State Police concerning the action which has been taken on the matter. If the report alleges abuse or neglect by someone other than a parent, guardian, or person exercising custodial control or supervision, the cabinet shall forthwith notify the Commonwealth's or county attorney and the local law enforcement agency or Kentucky State Police.

(2) Upon receipt of a report alleging dependency pursuant to KRS 620.030(1) and (2), the recipient shall forthwith notify the cabinet or its designated representative. The cabinet shall investigate reports of alleged dependency not later than forty-eight (48) hours after receipt of the report but need not notify the local law enforcement agency or Kentucky State Police or county attorney or Commonwealth's attorney of such reports. If the cabinet or its designated representative receives a report of abuse by other than a parent, guardian or other person exercising custodial control or supervision of a child, it shall forthwith notify the local law enforcement agency or Kentucky State Police and the Commonwealth's or county attorney of the receipt of the report and its contents and they shall investigate the matter. The cabinet or its designated representative may participate in an investigation of noncustodial abuse at the request of the local law enforcement agency or the Kentucky State Police.

(3) School personnel or other persons listed in KRS 620.030(2) do not have the authority to conduct internal investigations in lieu of the official investigations outlined in this section.

(4) (a) If, after receiving the report, the law enforcement officer, the cabinet or its designated representative cannot gain admission to the location of the child, a search warrant shall be issued by the judge to the appropriate law enforcement official upon probable cause that the child is dependent, neglected or abused. If, pursuant to a search under a warrant a child is discovered and appears to be in imminent danger, the child may be removed by the law enforcement officer.

(b) If a child who is in a hospital or under the immediate care of a physician appears to be in imminent danger if he is returned to the persons having custody of him, the physician or hospital administrator may hold the child without court order, provided that a request is made to the court for an emergency custody order at the earliest practicable time, not to exceed seventy-two (72) hours.

(c) Any appropriate law enforcement officer may take a child into protective custody and may hold that child in protective custody without the consent of the parent or other person exercising custodial control or supervision if there exists reasonable grounds for the officer to believe that the child is in danger of imminent death or serious physical injury or is being sexually abused and that the parents or other person exercising custodial control or supervision are unable or unwilling to protect the child. The officer or the person to whom the officer entrusts the child shall, within twelve (12) hours of taking the child into protective custody, request the court to issue an emergency custody order.

(d) When a law enforcement officer, hospital administrator, or physician takes a child into custody without the consent of the parent or other person exercising custodial control or supervision, he shall provide written notice to the parent or other person stating the reasons for removal of the child. Failure of the parent or other person to receive notice shall not, by itself, be cause for civil or criminal liability.

(5)(a) One or more multidisciplinary teams may be established in every county or group of contiguous counties.

(b) Membership of the multidisciplinary team shall include representatives of the cabinet, the Kentucky State Police, other local law enforcement agencies with investigation responsibilities in child sexual abuse cases, the Commonwealth's and county attorneys, and other professionals whose participation the multidisciplinary team believes is important to carry out its purpose.

(c) The multidisciplinary team may review child sexual abuse cases referred by participating professionals, including those in which the alleged perpetrator does not have custodial control or supervision of the child, or is not responsible for the child's welfare. The purpose of the multidisciplinary team shall be to review investigations, assess service delivery, and to facilitate efficient and appropriate disposition of cases through the criminal justice system.

(d) The team shall hold regularly scheduled meetings if new reports of sexual abuse are received, or if active cases exist. At each meeting, each active case shall be presented and the agencies' responses assessed.

(e) The multidisciplinary team shall provide an annual report to the public of nonidentifying case information to allow assessment of the processing and disposition of child sexual abuse cases.

(f) Multidisciplinary team members, and anyone invited by the multidisciplinary team to participate in a meeting, shall not divulge case information, including information regarding the identity of the victim or source of the report. Team members, and others attending meetings, shall sign a confidentiality statement that is consistent with statutory prohibitions on disclosure of this information.

(g) The multidisciplinary team may establish operating rules and procedures as it deems necessary to carry out the purposes of this subsection.

Section 3. KRS 403.213 is amended to read as follows:

(1) The Kentucky child support guidelines may be used by the parent, custodian, or agency substantially contributing to the support of the child as the basis for periodic updates of child support obligations. The provisions of any decree respecting child support may be modified only as to installments accruing subsequent to the filing of the motion for modification and only upon a showing of a material change in circumstances that is substantial and continuing.

(2) Application of the Kentucky child support guidelines to the circumstances of the parties at the time of the filing of a motion or petition for modification of the child support order which results in equal to or greater than a fifteen percent (15%) change in the amount of support due per month shall be rebuttably presumed to be a material change in circumstances. Application which results in less than a fifteen percent (15%) change in the amount of support due per month shall be rebuttably presumed not to be a material change in circumstances. For the one (1) year period immediately following enactment of this statute, the presumption of material change shall be a twenty-five percent (25%) change in the amount of child support due rather than the fifteen percent (15%) stated above.

(3) Unless otherwise agreed in writing or expressly provided in the decree, provisions for the support of a child shall be terminated by emancipation of the child ***unless the child is a high school student when he reaches the age of eighteen (18). In cases where the child becomes emancipated because of age, but not due to marriage, while still a high school student, the court ordered support shall continue while the child is a high school student, but not beyond completion of the school year during which the child reaches the age of nineteen (19) years. Provisions for the support of the child shall not be terminated*** [~~but not~~] by the death of a parent obligated to support the child. If a parent obligated to pay support dies, the amount of support may be modified, revoked, or commuted to a lump-sum payment, to the extent just and appropriate in the circumstances.

(4) The child support guidelines table shall be reviewed at least once every four (4) years by a commission consisting of the following persons:

(a) The secretary of the Cabinet for Human Resources or a supervisory staff person designated by him;

(b) Two (2) members of the Kentucky Bar Association who have at least six (6) consecutive years, experience and are presently practicing domestic relations cases, one (1) member from a metropolitan or large urban area and one (1) member from a less populated area;

(c) Two (2) Circuit Judges appointed by the Chief Justice of the Kentucky Supreme Court, one (1) from a metropolitan or large urban area, and one (1) from a less populated area;

(d) One (1) District Judge appointed by the Chief Justice of the Kentucky Supreme Court;

(e) Two (2) county attorneys appointed by the president of the County Attorneys Association, one (1) from a metropolitan or large urban area and one (1) from a less populated area; and

(f) The Attorney General or his designee, who shall be an attorney from his office.

(5) The commission shall make a recommendation to the Kentucky General Assembly to ensure that the child support guidelines table results in a determination of appropriate child support amounts.

Section 4. KRS 405.020 is amended to read as follows:

(1) The father and mother shall have the joint custody, nurture and education of their children who are under the age of eighteen (18). If either of the parents dies, the survivor, if suited to the trust, shall have the custody, nurture and education of the children who are under the age of eighteen (18). The father shall be primarily liable for the nurture and education of his children who are under the age of eighteen (18) ***and for any unmarried child over the age of eighteen (18) when the child is a full-time high school student, but not beyond completion of the school year during which the child reaches the age of nineteen (19) years.***

(2) The father and mother shall have the joint custody, care and support of their children who have reached the age of eighteen (18) and who are wholly dependent because of permanent physical or mental disability. If either of the parents dies, the survivor, if suited to the trust, shall have the custody, care and support of such children.

Section 5. KRS 514.040 is amended to read as follows:

(1) A person is guilty of theft by deception when he obtains property or services of another by deception with intent to deprive him thereof. A person deceives when he intentionally:

(a) Creates or reinforces a false impression, including false impressions as to law, value, intention***,*** or other state of mind;

(b) Prevents another from acquiring information which would affect his judgment of a transaction;

(c) Fails to correct a false impression which the deceiver previously created or reinforced or which the deceiver knows to be influencing another to whom he stands in a fiduciary or confidential relationship;

(d) Fails to disclose a known lien, adverse claim***,*** or other legal impediment to the enjoyment of property which he transfers or encumbers in consideration for the property obtained, whether ***the*** [~~such~~] impediment is or is not valid or is or is not a matter of official record; or

(e) Issues or passes a check or similar sight order for the payment of money, knowing that it will not be honored by the drawee.

(2) The term "deceive" does not, however, include falsity as to matters having no pecuniary significance or puffing by statements unlikely to deceive ordinary persons in the group addressed.

(3) Deception as to a person's intention to perform a promise shall not be inferred from the fact alone that he did not subsequently perform the promise.

(4) For purposes of subsection (1) of this section, ***a maker*** [~~an issuer~~] of a check or similar sight order for the payment of money is presumed to know that the check or order, other than a postdated check or order, would not be paid, if:

(a) The ***maker*** [~~issuer~~] had no account with the drawee at the time the check or order was issued;

(b) Payment was refused by the drawee for lack of funds, upon presentation within thirty (30) days after issue, and the issuer failed to make good within ten (10) days after receiving notice of that refusal. ***A maker*** [~~An issuer~~] makes good on a check or similar sight order for the payment of money by paying to the holder the face amount of the instrument, together with any fee to be imposed pursuant to subsection (4)(c) of this section; or

(c) If a county attorney issues notice to ***a maker*** [~~an issuer~~] that a drawee has refused to honor an instrument due to a lack of funds as described in subsection (4)(b) of this section, the county attorney may charge a fee to the ***maker*** [~~holder~~] of ***ten*** [~~five~~] dollars ***($10)*** [~~($5)~~], if ***the*** [~~said~~] instrument is paid.

(5) A person is guilty of theft by deception when he issues a check or similar sight order in payment of all or any part of any tax payable to the Commonwealth knowing that it will not be honored by the drawee.

(6) ***A person is guilty of theft by deception when he issues a check or similar sight order in payment of all or any part of a child support obligation knowing that it will not be honored by the drawee.***

(7) Theft by deception is a Class A misdemeanor unless the value of the property, service, or the amount of the check or sight order referred to in subsection (5) ***or (6)*** of this section is ***three hundred dollars ($300)*** [~~one hundred dollars ($100)~~] or more, in which case it is a Class D felony.

SECTION 6. A NEW SECTION OF KRS CHAPTER 406 IS CREATED TO READ AS FOLLOWS:

As used in KRS 406.011 to 406.180:

(1) "Genetic markers" means separate identifiable genes or complexes of genes generally isolated as a result of blood typing, at least seven (7) of which are normally tested in a paternity proceeding.

(2) "Genetic tests" means blood or tissue typing tests including, but not limited to, tests of red cell antigens, red cell isoenzymes, human leukocyte antigens, serum proteins, electrofloresis, or deoxyribonucleic acid.

(3) "Paternity index" means the commonly accepted indicator used for denoting the existence of paternity. It represents the mathematically computed probability that the putative father is the true father of the child, as opposed to any other man of similar ethnic background. The paternity index, computed using results of various paternity tests following accepted statistical principles for the computation of probability, shall be in accordance with the method of expression accepted by the American Association of Blood Banks.

Section 7. KRS 406.041 is amended to read as follows:

The obligation of the estate of the father for liabilities under this chapter ***shall not be terminated by the death of the father obligated to support the child. If a father obligated to support the child dies, the amount of support may be modified, revoked, or commuted to a lump-sum payment, to the extent just and appropriate in the circumstances*** [~~is limited to amounts accrued prior to his death and such sums as may be payable for dependence under other laws~~].

Section 8. KRS 406.081 is amended to read as follows:

The court, upon request of a party or on its own motion, shall order the mother, child, and alleged father to submit to ***genetic*** [~~blood~~] tests. If the mother refuses for herself or on behalf of the child to submit to ***the*** [~~such~~] tests, the court may resolve the question of paternity against her unless ***the*** [~~such~~] action is brought by or is being prosecuted by an agency contributing to the support of the child.

Section 9. KRS 406.091 is amended to read as follows:

(1) If a ***genetic*** [~~blood~~] test is required, the court shall direct that inherited characteristics[~~, including but not limited to blood tests,~~] be determined by appropriate testing procedures, and shall appoint an expert qualified as an examiner of genetic markers to analyze and interpret results and to report to the court.

(2) ***Genetic*** [~~Blood~~] test results are admissible and shall be weighed along with other evidence of the alleged father's paternity.

(3) If the results of ***genetic*** [~~blood~~] tests or the expert's analysis of inherited characteristics is disputed, the court, upon reasonable request of a party, shall order that an additional test be made by the same laboratory or independent laboratory at the expense of the party requesting additional testing.

(4) Verified documentation of the chain of custody in transmitting the blood specimens is competent evidence to establish the chain of custody.

(5) A verified expert's report shall be admitted at trial unless the expert is called by a party or the court as a witness to testify to his findings.

(6) All costs associated with ***genetic*** [~~blood~~] testing shall be paid by the parties in proportions [~~and at times~~] determined by the court.

Section 10. KRS 406.111 is amended to read as follows:

If the court finds that the conclusions of all the experts, as disclosed by the evidence based upon the tests, are that the alleged father is not the father of the child, the question of paternity shall be resolved accordingly. If the ***court finds that the statistical probability of paternity equals or exceeds ninety-nine percent (99%), as calculated by the experts qualified as examiners of genetic markers, and that the paternity index, as calculated by the experts qualified as examiners of genetic markers, is one hundred (100) to one (1) or greater, there is a rebuttable presumption, affecting the burden of proof, of paternity. This presumption shall only be rebutted by a preponderance of the evidence. If the presumption is not rebutted, the court may enter a summary judgment of paternity, pursuant to Rule 56 of the Rules of Civil Procedure*** [~~experts disagree in their findings or conclusions, the question may be submitted upon all the evidence. If the experts conclude that the blood tests show the possibility of the alleged father's paternity, admission of this evidence is within the discretion of the court, depending upon the infrequency of the blood type~~].

(2) Any applicant or recipient who is dissatisfied with the decision or delay in action on his application for public assistance or the amount granted to him may appeal to a hearing officer***, except that an appeal and a hearing need not be granted if the sole issue is a federal or state law requiring an automatic change adversely affecting some or all recipients of the Kentucky medical assistance program so long as advance notice of the change, with an explanation of appeal rights, is provided to all affected recipients***. On receipt of such an appeal the applicant or recipient shall be given reasonable notice and opportunity for a fair hearing. The applicant or recipient shall be promptly notified of the hearing officer's decision together with the reasons therefor.

(3) The secretary is authorized to appoint an appeal board for public assistance composed of the secretary and two (2) other members. The secretary shall be chairman and he and one (1) other member will constitute a quorum.

The board may remove itself or transfer to another hearing officer the proceedings on any appeal pending before a hearing officer. The board shall promptly notify the parties to any proceedings of its findings and decisions.

(5) The manner in which appeals are presented and hearings and appeals conducted shall be in accordance with regulations prescribed by the secretary for determining the rights of parties, such hearings to be conducted in a summary manner. A complete record shall be kept of all proceedings in connection with any appeal. All testimony at any hearing upon an appeal shall be recorded either stenographically or mechanically. No hearing officer or member of the board shall participate in any hearing in which he is an interested party.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 117.381 is amended to read as follows:

No electronic voting system shall, upon any examination or reexamination, be approved by the State Board of Elections unless it shall be established that such system, at the time of examination or reexamination:

(1) Provides for voting in secrecy;

(2) Permits each voter to vote at any election for all candidates and questions for which he is lawfully entitled to vote, and no others;

(3) Permits each voter, at the general election to vote a straight political party ticket by one or more marks or acts;

(4) Provides a method for write-in voting;

(5) Provides for a nonpartisan ballot;

(6) If it is of a type that registers the vote electronically, the voting system shall preclude each voter from voting for more persons for any office than he is entitled to vote for or upon any question more than once;

(7) Permits each voter at a primary election to vote only for the candidates seeking nomination by a political party in which such voter is registered, and for any candidate for nonpartisan nomination, and for any question upon which he is entitled to vote;

(8) If it is of a type that registers the vote electronically, the voting system shall permit each voter to change his vote for any candidate or upon any question appearing on the official ballot up to the time that he takes the final step to register his vote and to have his vote computed. If it is of a type that uses paper ballots or ballot cards to register the vote and automatic tabulating equipment to compute such votes, the system shall provide that a voter who spoils his ballot may obtain another ballot;

(9) Is suitably designed for the purpose used, is constructed of a durable material, and is safely transportable;

(10) Is so constructed that a voter may readily learn the method of operating it; ***and***

(11) ***Meets or exceeds the standards for electronic voting equipment established by the Federal Election Commission.*** [~~If the voting system is of a type which provides for the computation and tabulation of votes at the precinct level, the automatic tabulating equipment shall include the following mechanisms or capabilities:~~

~~(a) A public counter or printed register, which shall show during any period of operation the total number of ballots entered for computation and tabulation;~~

~~(b) A lock, or locks, either mechanical or under program control, by the use of which all operation of the tabulation element of the automatic tabulating equipment is absolutely prevented immediately after the polls are closed or where the tabulation of votes is completed;~~

~~(c) It shall be so constructed and controlled that, during the progress of voting, it shall preclude every person from seeing or knowing the number of votes registered for any candidate or question; and it shall preclude every person from tampering with the tabulating element;~~

~~(d) If the number of choices recorded for any office or on any question exceeds the number for which the voter is entitled to vote, it shall reject all choices recorded on the ballot for that office or question;~~

~~(e) It shall be equipped with an element which generates a printed record at the beginning of its operation which verifies that the tabulating elements for each candidate position and each question and the public counter are all set to zero and with an element which generates a printed record at the finish of its operation of the total number of voters whose ballots have been tabulated, the total number of votes cast for each candidate whose name appears on the ballot, and the total number of votes cast for, or against, any question appearing on the ballot;~~

~~(f) It shall be so designed that only those ballots which have write-in choices shall be subject to handling after the voter has cast his ballot; all such ballots shall be handled only at the close of the polls and only by the election officials at the precinct who shall visually verify and tabulate the write-in votes cast;~~

~~(12) If the voting system is of a type which provides for the computation and tabulation of all votes at a central counting center, the central automatic tabulating equipment shall include the following mechanisms or capabilities:~~

~~(a) It shall be constructed so that every person is precluded from tampering with the tabulating element during the course of its operation;~~

~~(b) If the number of choices for any office or on any question exceeds the number for which the voter is entitled to vote, it shall reject all choices recorded on the ballot for that office or question;~~

~~(c) It shall have a means by which to verify that the tabulating elements for each candidate position and for each question are all set to zero and shall be able to generate a printed record of each precinct showing the total number of voters whose ballots have been tabulated, the total number of votes cast for each candidate whose name appears on the ballot, and the total number of votes cast for, or against any question. It shall also be capable of generating cumulative election totals.~~]

"***(7) Within thirty (30) days following finality of the last appealable order of the administrative law judge, the defense attorney shall submit to the administrative law judge a statement of attorney fees and expenses incurred for the preparation, processing, and legal defense of any case involving benefits under this chapter.***"

"SECTION 16. A NEW SECTION OF KRS CHAPTER 64 IS CREATED TO READ AS FOLLOWS:

(1) The General Assembly of the Commonwealth of Kentucky finds and determines that by virtue of KRS 134.800, whereby all ad valorem taxes on motor vehicles and motorboats are collected by county clerks using a statewide central system; by virtue of KRS 186A.215, which requires county clerks to process motor vehicle title transfers regardless of the domicile of the parties using a system, whereby all title transfers are processed by county clerks and the Commonwealth on a statewide basis; by virtue of KRS 186A.120, which requires county clerks to title and register vehicles under certain circumstances where the owner or motor vehicle dealer resides in another county or another state using a system which is statewide; by virtue of KRS Chapter 235, whereby county clerks title and register motor boats on a statewide system; by virtue of KRS Chapter 118, which requires county clerks to conduct elections, report election results, and keep election records for multi-county, statewide, and national elections using a central statewide system; and by virtue of Sections 1 to 15 of this Act, that county clerks, having the ability to perform such duties and render such services, constitute officers whose jurisdiction or duties are coextensive with the Commonwealth within the meaning of Section 246 of the Constitution of Kentucky.

(2) The General Assembly further finds and determines that the increase in duties occasioned by the enactment of KRS 235.050 and 235.060 in 1990, and the enactment of Sections 1 to 15 of this Act, takes the adjustment brought about by Sections 16 to 19 of this Act outside the prohibition set forth in Section 161 of the Constitution of Kentucky.

SECTION 17. A NEW SECTION OF KRS CHAPTER 64 IS CREATED TO READ AS FOLLOWS:

(1) Each county clerk shall receive for the performance of his duties an annual salary in the amount and manner, and from the source provided for by this chapter.

(2) The maximum salary of county clerks shall be fixed by the Department of Local Government in accordance with Section 246 of the Kentucky Constitution which provides that the county clerk, as an officer whose jurisdiction or duties are coextensive with the Commonwealth, shall be paid at a rate no greater than twelve thousand dollars ($12,000) per annum.

Section 18. KRS 64.345 is amended to read as follows:

(1) The county clerk and sheriff of each county having a population of seventy-five thousand (75,000) or over shall receive an annual salary of fourteen thousand three hundred dollars ($14,300)***, except that county clerks in counties containing a city of the first class and in counties having an urban-county form of government shall receive the maximum annual salary permitted by Sections 16 to 19 of this Act.***

(2) In counties containing a city of the first class and in counties having an urban-county form of government, the amount, if any, allowed for the necessary office expenses of each officer shall be fixed by an order entered upon the order book of the Circuit Court, and signed by the chief judge thereof. In counties containing a city of the first class, each sheriff's deputy who uses his own automobile in the performance of official duties shall be authorized an allotment for expenses incurred, up to a maximum of three hundred dollars ($300) per month, to be paid out of the fees and commissions of the sheriff's office. In all other counties with a population of seventy-five thousand (75,000) or more, the amount, if any, allowed for the necessary office expenses of each officer shall be fixed by the fiscal court by an order entered upon the fiscal court order book no later than January 15 of each year. A certified copy of the orders, and of any subsequent changes made therein, shall, as soon as entered, be forwarded to the Department of Local Government.

(3) Each officer shall, on the first day of each month, send to the Department of Local Government a statement, subscribed and sworn to by him, showing the amount of money received or collected by or for him the preceding month, as fees or compensation for official duties, and shall, with such statements, send to the Department of Local Government the amount so collected or received. The Department of Local Government may extend the time for filing the statement and making the payment for a period not exceeding ten (10) days in any month.

(4) The salary of each officer and his deputies and assistants and his office expenses shall be paid semimonthly by the State Treasurer upon the warrant of the Department of Local Government made payable to the officer. If seventy-five percent (75%) of the amount paid into the State Treasury in any month by any of such officers is not sufficient to pay the salaries and expenses of his office for that month, the deficit may be made up out of the amount paid in any succeeding month; but in no event shall the amount allowed by the Department of Local Government to any officer for salaries and expenses exceed seventy-five percent (75%) of the amount paid to the Department of Local Government by the officer during his official term.

(5) In counties containing a city of the first class and in counties having an urban-county form of government, the number of deputies and assistants allowed to each officer and the compensation allowed to each deputy and assistant shall be fixed at reasonable amounts upon motion of each officer by an order entered upon the order book of the Circuit Court and signed by the chief judge thereof. In all other counties with a population of seventy-five thousand (75,000) or more, the number of deputies and assistants allowed to each officer and the compensation allowed to each deputy and assistant shall be fixed at reasonable amounts upon motion of each officer by the fiscal court by an order entered upon the fiscal court order book no later than January 15 of each year. A certified copy of the orders, and of any subsequent changes made therein, shall, as soon as entered, be forwarded to the Department of Local Government.

Section 19. KRS 64.527 is amended to read as follows:

The Department of Local Government shall notify the appropriate governing bodies charged by law to fix the compensation of the above elected officials of the annual rate of compensation to which the elected officials are entitled pursuant to the increase or decrease in the consumer price index. Upon notification from the Department of Local Government, the appropriate governing body may set the annual compensation of the above elected officials at a rate no greater than that stipulated by the Department of Local Government.

Amend printed copy of **SB 393/HCS** on page 17, line 10, by adding the following new section:

"Section 11. KRS 403.211 is amended to read as follows:

(1) An action to establish or enforce child support may be initiated by the parent, custodian, or agency substantially contributing to the support of the child. The action may be brought in the county in which the child resides or where the defendant resides.

(2) At the time of initial establishment of a child support order, whether temporary or permanent, or in any proceeding to modify a support order, the child support guidelines in KRS 403.212 shall serve as a rebuttable presumption for the establishment or modification of the amount of child support. Courts may deviate from the guidelines where their application would be unjust or inappropriate. Any deviation shall be accompanied by a written finding or specific finding on the record by the court, specifying the reason for the deviation.

(3) A written finding or specific finding on the record that the application of the guidelines would be unjust or inappropriate in a particular case shall be sufficient to rebut the presumption and allow for an appropriate adjustment of the guideline award if based upon one (1) or more of the following criteria:

(a) A child's extraordinary medical or dental needs;

(b) A child's extraordinary educational, job training, or special needs;

(c) Either parent's own extraordinary needs, such as medical expenses;

(d) The independent financial resources, if any, of the child or children;

(e) Combined parental income in excess of the Kentucky child support guidelines;

(f) The parents of the child, having demonstrated knowledge of the amount of child support established by the Kentucky child support guidelines, have agreed to child support different from the guideline amount. However, no such agreement shall be the basis of any deviation if public assistance is being paid on behalf of a child under the provisions of Part D of Title IV of the Federal Social Security Act; and

(g) Any similar factor of an extraordinary nature specifically identified by the court which would make application of the guidelines inappropriate.

(4) "Extraordinary" as used in this section shall be determined by the court in its discretion.

(5) When a party has defaulted or the court is otherwise presented with insufficient evidence to determine gross income, the court shall order child support based upon the needs of the child or the previous standard of living of the child, whichever is greater. An order entered by default or due to insufficient evidence to determine gross income may be modified upward and arrearages awarded from the date of the original order if evidence of gross income is presented within two (2) years which would have established a higher amount of child support pursuant to the child support guidelines set forth in KRS 403.212.

(6) The court, in its discretion, may order all or any part of child-care costs to be paid by either or both of the parents of the child, and if ordered, shall be in addition to the amount ordered under the child support guidelines.

(7) The court may, in its discretion, order the cost of reasonable health insurance coverage of the child to be paid by either or both parents of the child. However, in all child support orders being established, modified, or enforced by the Cabinet for Human Resources, the court shall provide for health care coverage for dependent children if reasonable under all the circumstances; if health care coverage is not presently available, the order shall provide for health care coverage at such time as it becomes reasonably available.

(8) The minimum amount of child support shall be sixty dollars ($60) per month."

All schools shall implement school-based decision making by July 1, 1996, in accordance with this section and with the policy adopted by the local board pursuant to this section. Upon a favorable vote of a majority of the faculty at the school, a school performing above its threshold level requirement as determined by the Department of Education pursuant to KRS 158.6455 may apply to the State Board for Elementary and Secondary Education for exemption from the requirement to implement school-based decision making, and the state board shall grant the exemption. (6) The Department of Education shall develop sample guidelines to assist local boards in the development of their policies, and the department shall provide professional development activities to assist schools in implementing school-based decision making.

(7) A school that chooses to have school-based decision making but would like to be exempt from the administrative structure set forth by this section may develop a model for implementing school-based decision making including, but not limited to, a description of the membership, organization, duties, and responsibilities of a school council. The school shall submit the model through the local board of education to the chief state school officer and the State Board for Elementary and Secondary Education for approval. The application for approval of the model shall show evidence that it has been developed by representatives of the parents, students, certified personnel, and the administrators of the school and that two-thirds (2/3) of the faculty have agreed to the model.

(8) The State Board for Elementary and Secondary Education, upon recommendation of the chief state school officer, shall adopt by administrative regulation a formula by which school district funds shall be allocated to each school council.

(9) There is hereby established a school council discretionary fund to be administered by the Department of Education and the department shall establish guidelines to be met to qualify for such funds. Each year that school councils are in existence the department shall distribute the funds appropriated to the fund to the schools participating in school-based decision making. The amount of funds received by each participating school shall be determined on a proportionate share basis by considering each participating school's total pupil enrollment. However, schools receiving funds from the Commonwealth school improvement fund under KRS 158.805 shall not be eligible to participate in this fund."

(2) The chief state school officer shall recommend by written charges the suspension by the State Board for Elementary and Secondary Education of any district board member***,*** [~~or~~] superintendent of schools***, or other public school officer*** as to whom he has reason to believe is guilty of immorality, misconduct in office, incompetency, [~~or~~] willful neglect of duty***, nonfeasance, or who shall be removed pursuant to KRS 158.6455(7).*** The State Board for Elementary and Secondary Education shall, after a summary hearing as provided by administrative regulations, suspend any district board of education member***,*** [~~or~~] superintendent of schools***, or other public school officer,*** who in the opinion of the majority of the State Board for Elementary and Secondary Education is guilty of immorality, misconduct in office, incompetence, [~~or~~] willful neglect of duty***, nonfeasance, or who shall be removed pursuant to KRS 158.6455(7). The*** [~~Such~~] action by the State Board for Elementary and Secondary Education may be taken upon a recommendation of the chief state school officer, or ***the*** [~~such~~] action may be taken by a majority vote of the State Board for Elementary and Secondary Education without recommendation from the chief state school officer.

(3) The State Board for Elementary and Secondary Education may suspend a district superintendent of schools ***or other public school officer*** under subsection (2) of this section ***or remove him pursuant to subsection (5) of this section*** only if after thirty (30) days of receipt of the written charges specified in subsection (1) of this section, the district board of education has refused to act, has acted in bad faith, arbitrarily, or capriciously, or if a recommendation to the district board would have been futile.

(4) Any officer suspended by the State Board for Elementary and Secondary Education under subsection (2) of this section shall be furnished with a written statement, specifying in detail the reasons for suspension and naming a date and place at which the officer may appear before the State Board for Elementary and Secondary Education to answer the charges. Within ***twenty (20)*** [~~ten (10)~~] days after receipt of the charges, the officer may notify the State Board for Elementary and Secondary Education of his intention to appear and answer such charges. If the officer fails to notify the board of his intention to appear and answer such charges, the State Board for Elementary and Secondary Education may remove the officer by a majority vote and ***the*** [~~such~~] dismissal shall be final.

(5) ***As an alternative to first seeking suspension, the chief state school officer may recommend by written charges the removal by the State Board for Elementary and Secondary Education of any district board member, superintendent of schools, or other public school officer whom he has reason to believe is guilty of immorality, misconduct in office, incompetency, willful neglect of duty, or nonfeasance, or who shall be removed pursuant to KRS 158.6455(7). Within twenty (20) days after receipt of the charges, the officer may notify the State Board for Elementary and Secondary Education of his intention to appear and answer the charges. If the officer fails to notify the board of his intention to appear and answer the charges, the State Board for Elementary and Secondary Education may remove the officer by a majority vote and the dismissal shall be final.***

(6) Upon receipt of the officer's notice of intention to appear and answer the charges, the State Board for Elementary and Secondary Education shall issue subpoenas [~~as shall be~~] necessary for the determination of the issues involved. The issues shall be heard at the time and place set and the hearing shall be public or private at the discretion of the accused ***former or current superintendent and shall be public when testimony is taken for board members*** [~~officer~~]. Both parties may be represented by counsel and may require the presence of witnesses upon subpoena. Each witness shall be required to take oath before an officer of the board. The State Board for Elementary and Secondary Education shall provide for a stenographic report of the proceedings and furnish the officer with a copy.

If the board votes to remove the officer, the board shall prepare written findings specifying which charge or charges it found to be the basis for removal. If within ninety (90) days from the date of suspension ***if applicable***, the state board has not removed the officer, or has dismissed the charges, the suspended officer shall be reinstated and shall be paid his full salary for the period of suspension.

(8)[~~(7)~~] The officer shall have a right to appeal on the record to the Circuit Court located in the county of the school district. If the appeal is not made within thirty (30) days after removal, then the decision of the State Board for Elementary and Secondary Education shall be final. The appeal shall be an original action in court and shall be commenced by the filing of a petition against the State Board for Elementary and Secondary Education, in which petition the facts shall be alleged upon which the officer relies for a reversal or modification of the order of removal. Upon service or waiver of summons in the appeal, the State Board for Elementary and Secondary Education shall forthwith transmit to the clerk of the court for filing a transcript of the original notice of charges and a transcript of all evidence considered at the hearing, where the cause shall be at issue without further pleading and shall be advanced and heard without delay. The court shall examine the transcript and record of the hearing before the State Board for Elementary and Secondary Education ***to determine whether the decision of the state board was arbitrary and capricious.*** [~~Upon final hearing,~~] The court shall grant or deny the relief asked for in the petition. Either the officer or the State Board for Elementary and Secondary Education may appeal the action of the court to the Court of Appeals. If the decision of the court is against removal, the officer shall be paid his full salary from the date of suspension. The payment shall be made from funds appropriated to the State Department of Education.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS 304.3-240 TO 304.3-245 IS CREATED TO READ AS FOLLOWS:

The annual statement required by KRS 304.3-240 shall be completed in accordance with accounting practices and procedures which meet or exceed the accounting practices and procedures established by the National Association of Insurance Commissioners.

SECTION 2. A NEW SECTION OF KRS 304.3-240 TO 304.3-245 IS CREATED TO READ AS FOLLOWS:

(1) As used in this section, a "qualified loss reserve specialist" means a person who is not a director, principal, or direct or indirect owner of an insurer and is a member in good standing of the Casualty Actuarial Society, and the American Academy of Actuaries, and who has been approved as qualified for signing casualty loss reserve opinions by the Casualty Practice Council of the American Academy of Actuaries, or has other experience acceptable to the commissioner to assure a professional opinion on the adequacy of loss and loss adjustment expense reserves.

(2) The board of directors of every insurer authorized to transact property or casualty insurance and required to file an annual statement with the commissioner pursuant to KRS 304.3-240 shall engage a qualified loss reserve specialist to certify the adequacy of the insurer's loss and loss adjustment expense reserves. The report shall be filed with the annual statement required by KRS 304.3-240.

(3) The statement of opinion required by this section shall consist of at least the following information:

(a) Identification of the qualified loss reserve specialist;

(b) Identification of the subjects on which the opinion is to be expressed and a description of the scope of the qualified loss reserve specialist's work;

(c) An expression of the qualified loss reserve specialist's opinion with respect to the subjects required to be described in paragraph (b) of this subsection; and

(d) Additional information which the qualified loss reserve specialist considers necessary to state a qualification of opinion or to explain any aspect of the annual statement which is not already sufficiently explained in the annual statement.

(4) It shall not be necessary to file the report required by this section in the following instances:

(a) An insurer that has less than one million dollars ($1,000,000) total direct plus assumed written premiums during a calendar year, or that has less than one thousand (1,000) policyholders or certificate holders at the end of a calendar year. An insurer which intends to utilize this exemption shall submit a letter of intent to the insurance regulatory official in its domiciliary state no later than December 1 of the calendar year for which the exemption is to be claimed;

(b) An insurer which is under rehabilitation, liquidation, or any other delinquency proceeding ordered pursuant to a statutory provision, unless ordered to make the report by the insurance regulatory official in its domiciliary state;

(c) An insurer writing property insurance only if the exemption is agreed to by the insurance regulatory official in the insurer's domiciliary state; or

(d) Filing the report would constitute financial hardship, which is presumed to exist if the projected reasonable cost of the report would exceed the lesser of:

1. One percent (1%) of the insurer's capital and surplus reflected in the insurer's annual statement for the calendar year for which the exemption is sought; or

2. Three percent (3%) of the insurer's net direct plus assumed premiums written during the calendar year for which the exemption is sought as reflected in the insurer's annual statement filed with the insurance regulator official in its domiciliary state.

Section 3. KRS 304.7-350 is amended to read as follows:

(1) All obligations having a fixed term, rate, and face value held by an insurer authorized to do business in this state may, if amply secured and not in default either as to principal or interest, be valued as follows: if acquired at face value, at the face value; if acquired above or below face value, on the basis of the purchase price adjusted annually to bring the value to face value at maturity and so as to yield in each year the effective rate of interest at which the purchase was made. The amortization provided for in this subsection may be

calculated with reasonable approximations. The commissioner shall have the power to determine by rule the eligibility of investments for valuation under this subsection.

(2) (a) Securities, other than those referred to in subsection (1) of this section, held by an insurer shall be valued, in the discretion of the commissioner, at their fair market value, [~~or~~] at their appraised value, or at prices determined by the commissioner as representing their fair market value.

If valuation is based on an appraisal more than three (3) years old, the commissioner may, at his discretion, call for and require a new appraisal in order to determine fair value.

(c) Personal property acquired pursuant to chattel mortgages or security agreements made in accordance with subsection (8) of KRS 304.7-200 shall not be valued at an amount greater than the unpaid principal of the defaulted loan at the date of [~~such~~] acquisition, together with any taxes and expenses paid or incurred in connection with [~~such~~] acquisition, or the fair value of ***the*** [~~such~~] property, whichever amount is the lesser.

The substances may include but are not limited to those which are, according to criteria established by the cabinet, toxic, corrosive, ignitable, irritants, strong sensitizers or explosive ***except that the term "hazardous substance" shall not include petroleum, including crude oil or any fraction thereof which is not otherwise specifically listed or designated as a hazardous substance under this section, and shall not include natural gas, natural gas liquids, liquified natural gas, or synthetic gas usable for fuel, or mixtures of natural gas and synthetic gas***;

The person ordered to the designated facility shall present himself for registration and initiation of a treatment program within five (5) days of the date of sentencing. If, without good cause, the person fails to appear at the designated facility within the specified time, or if at any time during the program of treatment prescribed, the authorized clinical director of the facility finds that the person is unwilling to participate in his treatment and rehabilitation, the director shall notify the sentencing court. Upon receipt of notification, the court shall cause the person to be brought before it and may continue the order of treatment and rehabilitation, or may order confinement in the county jail for not more than one (1) year or a fine of not more than five hundred dollars ($500), or both. Upon discharge of the person from the facility by the secretary of the Cabinet for Human Resources, or his designee, prior to the expiration of the one-year period or upon satisfactory completion of one (1) year of treatment, the person shall be deemed finally discharged from sentence. The appeal shall be an original action in court and shall be commenced by the filing of a petition against the State Board for Elementary and Secondary Education, in which petition the facts shall be alleged upon which the officer relies for a reversal or modification of the order of removal. Upon service or waiver of summons in the appeal, the State Board for Elementary and Secondary Education shall forthwith transmit to the clerk of the court for filing a transcript of the original notice of charges and a transcript of all evidence considered at the hearing, where the cause shall be at issue without further pleading and shall be advanced and heard without delay. "KRS 156.132 is amended to read as follows:

(1) The chief state school officer shall recommend, by written charges to the proper school authorities having immediate jurisdiction, the removal of any superintendent of schools, principal, teacher, or other public school officer as to whom he has reason to believe is guilty of immorality, misconduct in office, incompetency, or willful neglect of duty.

(2) The chief state school officer shall recommend by written charges the suspension by the State Board for Elementary and Secondary Education of any district board member or superintendent of schools as to whom he has reason to believe is guilty of immorality, misconduct in office, incompetency, or willful neglect of duty. The State Board for Elementary and Secondary Education shall, after a summary hearing as provided by administrative regulations, suspend any district board of education member or superintendent of schools, who in the opinion of the majority of the State Board for Elementary and Secondary Education is guilty of immorality, misconduct in office, incompetence, or willful neglect of duty. Such action by the State Board for Elementary and Secondary Education may be taken upon a recommendation of the chief state school officer, or such action may be taken by a majority vote of the State Board for Elementary and Secondary Education without recommendation from the chief state school officer.

(3) The State Board for Elementary and Secondary Education may suspend a district superintendent of schools under subsection (2) of this section only if after thirty (30) days of receipt of the written charges specified in subsection (1) of this section, the district board of education has refused to act, has acted in bad faith, arbitrarily, or capriciously, or if a recommendation to the district board would have been futile.

(4) Any officer suspended by the State Board for Elementary and Secondary Education under subsection (2) of this section shall be furnished with a written statement, specifying in detail the reasons for suspension and naming a date and place at which the officer may appear before the State Board for Elementary and Secondary Education to answer the charges. The date shall be not less than twenty (20) nor more than thirty (30) days after the service of such charges upon the officer. Within ten (10) days after receipt of the charges, the officer may notify the State Board for Elementary and Secondary Education of his intention to appear and answer such charges. If the officer fails to notify the board of his intention to appear and answer such charges, the State Board for Elementary and Secondary Education may remove the officer by a majority vote and such dismissal shall be final.

(5) Upon receipt of the officer's notice of intention to appear and answer the charges, the State Board for Elementary and Secondary Education shall issue subpoenas as shall be necessary for the determination

of the issues involved. The issues shall be heard at the time and place set and the hearing shall be public or private at the discretion of the accused officer. Both parties may be represented by counsel and may require the presence of witnesses upon subpoena. Each witness shall be required to take oath before an officer of the board. The State Board for Elementary and Secondary Education shall provide for a stenographic report of the proceedings and furnish the officer with a copy.

(6) Upon completion of both sides of the case, but within ninety (90) days from the date the officer was suspended, the State Board for Elementary and Secondary Education may by a majority vote remove the officer. If the board votes to remove the officer, the board shall prepare written findings specifying which charge or charges it found to be the basis for removal. If within ninety (90) days from the date of suspension, the state board has not removed the officer, or has dismissed the charges, the suspended officer shall be reinstated and shall be paid his full salary for the period of suspension.

(7) The officer shall have a right to appeal on the record to the Circuit Court located in the county of the school district. If the appeal is not made within thirty (30) days after removal, then the decision of the State Board for Elementary and Secondary Education shall be final. The appeal shall be an original action in court and shall be commenced by the filing of a petition against the State Board for Elementary and Secondary Education, in which petition the facts shall be alleged upon which the officer relies for a reversal or modification of the order of removal. Upon service or waiver of summons in the appeal, the State Board for Elementary and Secondary Education shall forthwith transmit to the clerk of the court for filing a transcript of the original notice of charges and a transcript of all evidence considered at the hearing, where the cause shall be at issue without further pleading and shall be advanced and heard without delay. The court shall examine the transcript and record of the hearing before the State Board for Elementary and Secondary Education. Upon final hearing, the court shall grant or deny the relief asked for in the petition. Either the officer or the State Board for Elementary and Secondary Education may appeal the action of the court to the Court of Appeals. If the decision of the court is against removal, the officer shall be paid his full salary from the date of suspension. The payment shall be made from funds appropriated to the State Department of Education. ***During the pendency of all appeals, the officer removed by the state board shall not be entitled to fill the vacancy created by the removal, and the chief state school officer may fill the vacancy pursuant to KRS 160.190, subject to the final appellate judgment.***

WHEREAS, the Constitution of the Commonwealth of Kentucky empowers the General Assembly to make appropriations; and

WHEREAS, the Kentucky Supreme Court recognizes that the budget, which appropriates the revenue of the Commonwealth and which determines how that revenue shall be spent, is fundamentally a legislative matter; and

WHEREAS, the General Assembly has enacted into law the statutory budget process which is primarily codified as KRS Chapter 48; and

WHEREAS, the statutes provide that prior to the passage of a budget bill, the appropriations committees of the General Assembly shall prepare a budget memorandum which shall enumerate the changes made by the appropriations committees in a branch budget recommendation, and shall explain such changes in detail sufficient to convey the intent of the appropriations committees; and,

WHEREAS, the Kentucky Supreme Court has upheld the use of the budget memorandum as a valid part of the statutory budget process;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

Section 1. That Section 5 of this Resolution is recognized as the 1992-94 Judicial Branch Budget Memorandum and any mandates, directives, or initiatives contained in the 1992-94 Judicial Branch Budget Memorandum shall have the force and effect of law.

Section 2. That the staff of the Legislative Research Commission shall have the authority, subject to the approval of the Legislative Research Commission, to make technical or format adjustments to the 1992-94 Judicial Branch Budget Memorandum which do not alter the sense, meaning, or effect of the 1992-94 Judicial Branch Budget Bill or the 1992-94 Judicial Branch Budget Memorandum.

Section 3. The provisions of the 1992-94 Judicial Branch Budget Memorandum shall not be construed to contain appropriations and, therefore, shall not supersede appropriations contained in the 1992-94 Judicial Branch Budget Bill or appropriations contained in any other enactment of the 1992 regular session of the General Assembly. If any mandate, directive, or initiative contained in the 1992-94 Judicial Branch Budget Bill conflicts with any mandate, directive, or initiative contained in the 1992-94 Judicial Branch Budget Memorandum, the mandate, directive, or initiative contained in the 1992-94 Judicial Branch Budget Bill shall prevail.

Section 4. Whereas the Judicial Branch Budget Bill becomes effective upon its passage and approval by the Governor, an emergency is declared to exist, and this Joint Resolution shall become effective upon its passage and approval by the Governor.
